Dear Mr. Bickers:

I would like to suggest that you ask two other people concerned with the problems existing in the Peyton Forrest area to meet with you and representatives asked by Mr. DuPree Jordan for the purpose of evaluating these conditions.

I am asking the two of you to consider yourselves as an official citizens committee to meet and report back to me as to how you feel this problem can best be solved.

May I hear from you as to whom you wish to appoint and when you plan to meet. I know you are concerned about this area and it is my feeling that through our mutual efforts this satisfactory solution can be found.

Sincerely yours,

Ivan Allen, Jr.,
Mayor
