

FOLLOW-THROUGH SUB-COMMITTEE RECOMMENDATIONS

- I. The Georgia State Legislature is called upon to pass the following:
 - A. Provide the Atlanta School System with an increase in transportation allotment per child in order that the children attending Headstart, Follow-Through and schools dealing with the mentally and physically retarded can travel to and from school safely.
 - B. Cross-walks be placed at strategic points within the Follow-Through school areas for the protection of the children.
 - C. Patrol ladies be provided for these cross-walks; also these ladies be hired from the target area of the community.
