You are a traitor!

If the negroes are
right or wrong, at least
they have a cause.

What is your excuse?

Force is very powerful.

However, it cannot conquer
the heart and soul.

Believe me, history has
only one Abe Lincoln.

Just like one Babe
Ruth. There is not

any room for more.

Besides you have to
much competition.

Do
~~If~~ you really
know what integration
really is? Then you
are a fool or a
commie

Which ever you may
be. You are sick, sick,
sick.

I hope if you
have any children
at all that they
all marry ~~the~~ negroes.

Just what, rock do
people like you crawl
from under?
