

August 14, 1969

Mr. James McGovern
Atlanta Crime Commission
52 Farley Street
Atlanta, Georgia

Dear Mr. McGovern:

Our first quarter of operation is now closing with apparent success. We are receiving far more requests for interns for fall than we can supply and anticipate that we will utilize over one-thousand (1,000) students during next summer's program.

Presently, we are in the process of training a new staff since many of us will be going to graduate school this fall. We are also trying to "tie down" summer financial arrangements.

As we discussed in June, the Crime Commission has agreed to fund the Urban Corps, with \$2,000.00 for interns placed in your agency. Would you please state this agreement in a letter to us as soon as possible and follow with your payment so we can close our financial records for summer, 1969?

Sincerely,

Sam A. Williams
Director
Atlanta Urban Corps
