Mr. Jack Delius
Parks Department
City of Atlanta
Atlanta, Georgia

Dear Jack:

As you know, we are members of the International City Managers Association and, as a result of our membership, we obtain from the association, management services reports. The latest report deals with historic reservation which I think would be of interest to you and your department.

I have had the opportunity of reading this report, and I find many helpful suggestions contained therein.

Sincerely,

Charles L. Davis
Director of Finance
