Dear Sir:

We have been advised that the City of Atlanta has made an application for a technical studies grant under the provisions of the Urban Mass Transportation Act of 1964.

I wholeheartedly support the proposal by the City of Atlanta Planning Department and Central Atlanta Progress, Inc. to make a detailed study of transportation in Atlanta's central city. This effort is a vital step toward eventual resolution of the central city's traffic problems.

I would appreciate your early approval of this application. Please keep me advised on this matter.

Kindest personal regards.

Yours very truly,
