Dear Bill:

Thank you very much for being our host for luncheon on Friday. I hope the progress you are presently showing is just the first step toward a whole new public transportation system for Atlanta.

You appear to have the interest and good will of the business and civic communities. Please keep me informed on results of the new bus shuttle service as they become available.

Please extend my congratulations to others on your staff and those who cooperated in making the inauguration of the shuttle bus service such a success.

Sincerely yours,
