Dear Mayor

If you had <sup>only</sup> attempted the rape, of  
experienced, a member of your family  
by <sup>2</sup> <sup>white</sup> <sup>great</sup> <sup>negroes</sup>  
as I have you would  
not have the attitude  
you express on race  
problems you would  
be convinced of the  
brutality of negro <sup>from</sup>  
his African <sup>to</sup> <sup>his</sup> <sup>present</sup> <sup>struggle</sup>  
to be the equal and given  
an inch he will <sup>steal</sup>  
or take the out of bounds  
relation he is  
struggling for the negroes  
have never been satisfied  
is my way of thinking; God created  
negro, to be what he <sup>is</sup> ~~is~~ Sincerely
