Mr. Harry S. Goldstein
Chairman of Board
Northwest Atlanta Business Association
890 Marietta Street, N. W.
Atlanta, Georgia 30318

Dear Mr. Goldstein:

An application to plan the second Georgia Tech Urban Redevelopment Project, Georgia R-III, was submitted to the Department of Housing and Urban Development May 27, 1966. This application has been pending in their office since that date. After approval of planning funds, it will be approximately one year before properties can be bought.

I would like to assure you that the owners of businesses in the Northwest Atlanta section will be given the earliest opportunity possible to dispose of their properties after final approval by the Department of Housing and Urban Development.

Very truly yours,

Lester H. Persells
Director of Redevelopment
