RKR KARD 7-26-63

This is a KENNEDY KARDBOARD KARD and it
is symbolic of the spineless weakness of the
J K'S Administration in Washington D.C.
KENNEDY KENNEDY KENNEDY SPEND SPEND SPEND
AND TAX TAX TAX. It alludes to the ROCKING
CHAIR STRATEGY being used to do away with
freedoms of Americans. It also alludes to
you riding on the COAT TAIL OF KING
JOHN KENNEDY. You really rode an ass
of yourself on the Huntley Nottley Busby
J.L. Shaw - Today.
