

Recruitment for men to rebuild the Atlanta Fire Department has been successful beyond my expectations. Since Labor Day 327 applicants have been examined, and 140 have passed the written examination. Not all have undergone the medical examination, but of those who have few have failed.

Plans have been made to conduct a recruiting campaign throughout the Southeast. Applicants from the entire Southeast should enable me to furnish the Fire Department a full complement of manpower much earlier than has been estimated.

The Personnel Office at 260 Central Avenue S.W. will be open till 7:30 p.m. Monday through Friday and till noon Saturdays.
