Mayor Ivan Allen
Atlanta, Ga.

Dear Sir:

Your statements regarding the nomination of Lester Maddox are disgusting, what you called the people of Georgia shows what type of men you are, what I called you when you ran for office as Mayor was the truth ~~and~~ and now the truth has come out.

I would not attempt to call the people who voted against Mr Maddox such labels as you pinned on those who voted for Mr Maddox, even though I think they are wrong, but I will tell you that those who did vote for Mr Maddox are most likely all patriotic citizens who believe in our wonderful Constitution, and are protesting the twisting, by-passing and violating of it, the principles of our founders and the rights of the people as a whole. I have considerable knowledge of Mr Maddox and I know he believes as I do in the strict adherence to the Constitution and not in those who wish to destroy it such as liberals, radicals of the left, Communists and fellow travelers, none of these can be a patriotic American with their views.

My advice to you is to study the Declaration of Independence and the Constitution not as a liberal, radical, Communist, fellow traveler, or politician who would sell his soul to get elected, but just as a plain patriotic American who believes in the principles of our Founding fathers and their wonderful document, God bless Mr Maddox and may he live long and have the strength to destroy the efforts of the evils forced on us by the radicals who are destroying our country. Yours truly,

George Ross
