Dear Mr. Coleman:

In response to your letter of June 17, I am herein enclosing a complete roster of the Model Cities Staff with the information you requested.

At this time, it is impossible to give you this same information with regard to the staffs of the sub-contracting agencies because it is not readily available in format.

I believe the information on my staff will facilitate your developing a statement concerning our personnel practices. However, if you need any additional information, please feel free to contact me.

Sincerely,

Johnny C. Johnson
