Re: Fulton County Health Department

Dear Mr. Ramsey:

As agreed to in our conversation by telephone of June 25, 1969, I am forwarding by hand via Baba Kalvelage three copies of our standard agency contract. If you, as contracting agent for the Fulton County Health Department, will be so kind as to complete pages 1 and 3 of the contract and return it with one copy, I will appreciate it very much.

As soon as Mayor Allen executes the contract, I will mail you a copy.

Permit me on behalf of the Atlanta Urban Corps to thank-you for your continued interest and support.

With all good wishes, I remain.

Sincerely yours,

INMOND L. DEEN
Director of Finance
Atlanta Urban Corps
