Dear Ann,

I certainly enjoyed talking to you this morning regarding our grand opening of The Racquet Club of Atlanta and I greatly appreciate your being able to have Mayor Ivan Allen appear for our ribbon cutting ceremonies for our new tennis club, to be held here the 17th of October at 2 p. m. We are inviting the press, T. V. and radio to attend this memorable event.

Looking forward to you and your husband coming out and visiting with us personally.

Warmest personal regards,

Paul Holm
