

Mayor Ivan Allen,

Who are you to call over 430,000 voters for Lester Maddox ignorant?

Statements such as the one you made on TV, show ignorance on someone else's part, not the voters.

Possibly, Lester can stop the riots that are going on in your city. You can't seem to handle them.

Oh, well, to each his <sup>own</sup> opinion. Because you've expressed yours, I hope you don't get any farther in Georgia politics than Mayor of Atlanta. We don't need the likes of you as governor.
