an Unusual Awakening
Written June 21, 1964 at
Message 4:00 P.M.

Vengeance is mine. I
will repay thee saith the
Lord. Chron. 16:22. Touch
not mine appointed and do
my prophets no harm saith
God.

God had sent his anointed
servant David to tell the people to
get ready for his coming.
David is a young prophet
sent from God.
The people by the multitudes
paid no heed to
(over)

his Cries and pleas to
turn to God. They con-
tinued in their revelry of
drinking and making
merry. He spent many
many hours with the
loss of sleep and fasting
and prayer. He came
made to walk the dumb
to talk and the blind to
see. This was the hot
month of June 1964.

He prophesied that de-
struction was to come to
Atlanta, Ga.

Oh, if the people (over)

Atlanta, Ga. had only
listened to the voice of
God through his Son
Atlanta could have had
many more souls in
heaven instead of the
ones God's wrath had been
poured out upon.

The ones that give to
God for his work to go
forth were saved from
destruction as God had
led them North, South, East
and West.
In the future Mayors,
Councils, Chiefs ~~and~~ of
Police and Judges (over)

in your ^④ City of Birmingham, Alabama I urge you by God's power to take heed and cooperate with this great Prophet of God.

Inspired by God to write by Helen Hale
