RESOLUTION BY

FINANCE COMMITTEE AND BUDGET COMMISSION

WHEREAS, The Atlanta Urban Corps Project is a project developed and initiated by College Students for the purpose of introducing young people to the problems of the modern urban environment; and

WHEREAS, the Program anticipated the employment of approximately 200 students for work in city government, other local governmental units and other local nonprofit agencies to which students may be assigned; and

WHEREAS, the total city contribution to the program can be financed from accumulated savings in the funds already appropriated for salaries in the various departments of city government to which students may be assigned and, due to the Federal grants available, the City can receive the services of the students in various City functions for approximately \$50 per student for the summer.
