Mayor Ivan Allen
Office of the Mayor
Atlanta, Georgia

Dear Mayor Allen,

Congratulations to you, Sir, and to the Atlanta Police Department for seeing your duty and having the courage to carry it out. It remains a mystery to me why Stokely Carmichael hasn't been arrested before now for inciting to riot. Furthermore, in my opinion, if he is an American citizen, he should be tried for treason; and if not a citizen, he should be deported.

Sincerely,
Mrs. Kenneth B. Phillips
