

2190 NORTHSIDE DR. N.W.,
Atlanta. Ga.
29 Sept. 1966

Dear Mr. Allen:

I think you did yourself
harm in your attack on
Meddox. Certainly by calling
the people who voted for
him ignorant.

I'll have you to understand
that I was born and reared
in Atlanta and am a Ga. Tech
man.

The average guy up and down
the street can show more
tolerance than you did.

You owe Meddox an apology

Jack Fant
