Hon Mayor Allen

as Chairman of the board of  
The model city, I would like to know  
was fair for some of the people who  
live in the model city area. take  
The right to decide who should get  
The paint. with out giving it to the  
one who are most able to buy  
I was told by Mr Scott that it was  
decided that if you paid taxes out  
there and lived some other place  
you was not included. I cannot see  
where the one who live out there  
and have rented house and they  
get home stead Exemption also  
and paint too. I under stand the one  
who are renting out there and are buying  
else where should not be included. but  
my family has paid taxes in Pittsburg  
since 1915. I have a small house

on windsor st 949 The home house was  
943 windsor st. when my mother pass I  
ask the city to see could the house be  
brought up to Standard and they said  
it had to be torn down and it was and  
I am trying get a house put on the lot  
out there I am not buying where I live  
I pay rent, and I am paying taxes out there  
there and where I live also.

now the reason I am not living in the  
house on windsor my brand daughter  
and her 3 children live in it she and  
husband are not together.

and they all was born at 943 windsor st  
The oldest one is 14 years old in June  
and they never rec'd any welfare I pay  
around \$200. a year tax out there and I  
am 72 years old. I feel like the one who  
need the help are not getting it. but a  
select few. Mr Scott said he could do  
any thing about it I would like to know  
if you think it was a fair deal Thank  
you Mrs Lavada Balhoun
