Mayor Ivan Allen Jr.
Atlanta, Ga.

Dear Mayor Allen:

Let me congratulate you on the stand you took with the mob which was about to erupt into a riot. You are to be commended for advising the people of Atlanta who was running the city.

According to the news reports it would appear that Stokely Carmichael incited certain groups to violent action. It would appear that in this case that charges of violating his oath when he acquired U. S. Citizenship would be enough to take his citizenship from him and deport him. We have enough undesirable so called Americans without importing more to join their ranks.

Let me again congratulate you for your courageous stand.

Sincerely,
