Mayor Ivan Allen, Jr.
Atlanta City Hall
Atlanta, Georgia

Dear Mayor Allen;

It appears from your statement of this date that you have stooped to a depth of hate mongering that few leaders have matched in recent times. You are of course completely out of step with the wishes and desires with the great majority of Georgians. I believe your action of this date need a reconsideration and an apology to the people of Georgia and to our next Governor, Mr. Lester Maddox.

Yours truly,

Gordon McDaniel, Jr.
