Sept - 11 - 1966

The Honourable Ivan Allen  
Mayor Atlanta Georgia  
My dear Mr Allen -

As a neighbor may  
I congratulate <sup>you</sup> on the position you  
took in the most unfortunate racial  
affair in Atlanta. You have been  
more than fair to our colored  
citizens, and the attitude taken,  
by a few, was totally unfair. We  
need staunch courageous leaders

MRS. H. W. BARNES  
GRIFFIN, GEORGIA

Under standing ones. When such  
are expected by even a small  
segment of people it is most  
unfortunate. Needless to say I  
come from a family who has  
had happy relationships with our  
coloured friends. With best  
wishes for what so ever you may  
undertake I am

Sincerely,

(Mrs HW)
