July 25/63

Dear Mayor Allen,

Hooray for your wonderful  
speech in Washington. Thank  
you, very much, for showing  
to the Nation the type of  
spirit Atlanta has had and  
will always have.

I'm a white (middle class)  
native of Atlanta and Ga.,  
and now we have, at last, a  
wonderful Governor, another  
great mayor and a U.S.  
President who ranks among  
the greatest (It's I. F. K. in '64) for  
Ga.  
If only our Sen. Russell

and Talmadge would remain  
true Democrats. Yet I am  
so thankful for our  
leadership <sup>from</sup> you, Governor  
Sanders and President Kennedy,

I was just so proud of  
the stand you took, I  
simply had to write and  
thank you for being a  
real American, Atlantan  
and a Democrat.

If only <sup>our</sup> Wm. B. Hartsfield  
could run against Sen.  
Russell and represent Ga.  
in Washington. Yours truly,  
Mildred Beddingfield
