Miss Christy Saunders  
7315 Boyer Street  
Philadelphia, Pennsylvania 19119

Dear Miss Saunders:

I certainly appreciate your letter of October 18th  
and your generous comments about the article  
in the New York Times magazine.

There is no one who would like to have the answers  
to your question better than I. I can only say that  
harmony comes from understanding, and understanding  
comes from learning.

Sincerely yours,

Ivan Allen, Jr.
