Mayor Ivan Allen:-

Dear Sir!

I am writing you  
In reference to the Atlanta  
Housing Authority and their rules  
and regulations. I feel the age  
limit should be lowered to include  
people in the age bracket from <sup>45</sup>  
to 60, as there are so many Divorces  
who are such because of desertion, as  
well as widows and single women  
who would love to have quiet  
home of their own. As rooming  
house take so many advantages  
of these people financially and  
they are noisy  
As well as being overcharged.

With very little privacy as there are so many places to share; Bath, Kitchen ect.

We are accused of being trouble makers which is not true as most people in that bracket want a quiet place to live, unless they are drunks. It is mostly the younger people that are loud, vulgar that like to cause confusion, as well as breaking homes.

I feel that in these new homes being built the aged decent women and men should be considered as most of them are nice citizens who would be happy to have a nice quiet place alone with reasonable rent, and I feel most could prove their character through their church or place of employment.

Thanking you for any consideration  
you may give this matter,  
I am

Respectfully yours

(Mrs) Lois T. Sasnett
