Re: Adamsville Health Center

Dear Mr. Delius:

This acknowledges your letter concerning the Adamsville Health Center.

I enclose a copy of the appraisal made by John W. Dabney, M.A.I.

The City has no interest in the land in question as it was committed by covenant to the State and Federal governments as a health center. It was bought with County Health Center money and the funds resulting from the sale will be returned to that source and available for health purposes.

Very truly yours,

  
Harold Sheats  
County Attorney
