Chief P. O. Williams  
Atlanta Fire Department  
46 Courtland Street, S. E.  
Atlanta, Georgia 30303

Dear Chief:

Your letter of June 25, 1969 requests an opinion as to what steps the Fire Department should take in the event that Fulton County constructs and mans fire stations in the unincorporated area of Fulton County pursuant to Act No. 322 of the 1969 Session of the Georgia Legislature.

Please be advised that the above mentioned act increased the number of fire stations to not over four and increased the amount of money that may be spent by Fulton County for fire prevention service. Previous sessions of the Legislature have already removed the responsibility of the City of Atlanta Fire Department to supervise the operation of fire stations built and maintained by Fulton County.

If you need any further information, please advise.

Yours very truly,

Ralph C. Jenkins  
Associate City Attorney
