

St. Mark's School
1983 Dayton Avenue
St. Paul, Minnesota

Dear Mayor Allen,

A group of eighth graders of St. Mark's School have been observing your just performances as Mayor of Atlanta. We have been watching in the newspapers and on television about many incidents occurring in Atlanta.

It took great courage to state your feelings against Lester Maddox's nomination. We admire your love for your fellow man.

We think you are very just and that you are doing an excellent service for Georgia and the world.

God love you,
John Engelhart
