Mayor Allen,  
Atlanta, Ga

Sir:

I admire your spunk.

The sooner we stomp these  
Commies, criminals & anarchists  
into oblivion, the better we'll be.  
The Republicans created hard  
times.

now, the <sup>national</sup> Demos have gone to  
just as serious an extreme by,  
not only, becoming supine toward  
Anarchy, but have assisted the  
Anarchists. If we don't fight back,  
the national Demos will destroy the  
whole fabric.

yours truly, Art Richards
