

Orlando Fla.
Sept. 30 - 1966

Mr. Allen;-

After hearing
you on a C.D. 5. ref-
erent last night,
expressing your opinion
and Mr. Madrox, after
his successful suit
Annull. I felt I had
to tell you, (as a
former Georgian) that
the same ignorant
prejudiced incompetent
etc. people of Georgia
were responsible
for electing you.
I thank goodness that
the few voters in
Atlanta do not

2.
represent the entire
state of Georgia, or
the poor Maligned
State would have
to suggest them,
another Ellis Arnall
term. I lived in
Georgia during his
other reign.

Hope you are very
happy with your
national wide
