The Honorable Ivan Allen, Jr.  
Mayor  
City of Atlanta  
City Hall  
Atlanta, Georgia 30303

Dear Ivan:

The Atlanta Traffic and Safety Council will hold its annual meeting at the Atlanta American Motor Hotel on Thursday, September 28, at 12:15 p.m.

We are honored to have as our speaker the top man in the nation in the field of traffic safety, Dr. William J. Haddon, Jr., Director of the newly created National Highway Safety Bureau. This will be one of his first public speaking engagements since President Johnson appointed him to this vital position less than a year ago.

Since taking over the nation's highway and vehicle safety operations, Dr. Haddon has been constantly in the news receiving alternately praise and condemnation from Congress, the automotive industry and traffic safety authorities. His appearance in Atlanta should be the outstanding highway safety event in this area this year.

Also, at the meeting there will be a short induction of the Council's new officers and directors. Meeting with us will be directors and members of the new Georgia Safety Council, in order that they might also hear Dr. Haddon's message. Please complete the enclosed reservation card and return it as soon as possible.

I think this will be one of the most interesting and important meetings our Council has held, and hope you will make every effort to attend and bring with you persons who are interested in our traffic and safety problems.

Sincerely,

  
George Goodwin  
President
