Honorable; Ivan Allen Jr
Mayor Og Atlantic Ga;

Dear Mr Mayor.

Got the morning paper this morning, and am sending you a clipping that I read, and I want you to know that I am proud that you are taking the stand you are taking.

You know and I know , that as long as the Government protects these Negro,s, that things are going to get worse.

I have nothing against the color of their skin, It is that if you give them an inch then they want a mile.

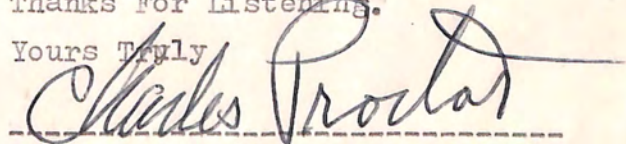

When it comes to destroying property, burning buildings, beating people up, and other things, then I think it is time to stop them.

I read in the papers one time where J. Edgar Hoover , said that Martin Luther King was the Worlds Biggest Liar, Well I have never seen one yet that will tell the truth

All Im sure are for you.

Thanks For Listening.

Yours Truly
