Mr. Sam Williams Atlanta Urban Corps 30 Cortland Street, N.E. Atlanta, Geogia 30303

Dear Mr. Williams:

The Metropolitan Atlanta Housing Conference has voted to sponsor an intern for the 12 week fall session. We would like to have a full-time (40 hour) graduate student if possible. If such an individual is not available, then the next choice would be a Junior/ Senior. Unfortunately, the Conference is not funded at the present time except for contributions and our treasury will only support a student under the Work-Study Program.

Please send the necessary forms for us to properly apply for participation in the fall.

We have enjoyed the relationship with the Urban Corps this summer and commend you on the fine job you are doing to provide these students with an opportunity to become more familiar with the needs of our community through actual on-the-job experiences and contacts.

very truly yours

Bruce B. Gruber
