Mayor of Atlanta  
City Hall

Dear Mayor Allen:

Our church wishes to express thanks and appreciation for your courageous and wise leadership during our recent racial disturbances.

We want you to know of our interest and prayers as you continue to give the kind of leadership that will rid our City of prejudice, hate and violence. We want our City to be characterized by understanding, love and good-will.

May you know wisdom that comes from above as you guide our City.

Sincerely yours,

First Baptist Church of Chattahoochee
