Dear Mayor Allen,

We talked with my sister, who lives in Atlanta, this morning. She was praising you, for the coruageous stand you have taken, in regards to the Atlanta racial disturbance. She said all Atlanta is so proud of you this morning, but may I add to this Mayor Allen, that not only Atlantans are proud of you, but all of us, who are still True Americans, are Grateful, for the fine job you are doing. We, as never before, need more God Fearing men, like you, to Prove to those who are doing wrong, that Right still pervails over wrong.

My sister and her husband, Mr. and Mrs. Clyde Harrison have the Carriage House Restaurant, in the Terminal Train Station. Maybe, you already know them, but if you don't, go by there someday or evening, and tell them that I, Kathleen LaBelle, said to treat you to the best steak in the house, which would make them very happy.

I will continue to Pray for God to Grant you Divine Wisdom to Serve your people Rightously, and to continue to set a shining example, by which other states may follow, because if we lose our Freedom, we have lost Everything.

May God Bless and Protect You and All your loved ones.

Sincerely,

Mrs. Kathleen LaBelle
