Guthrie Georgia.

Dear Mr. Allen Esq.
Mayor of Atlanta.
Dear Sir:

Accept our family's deep
appreciation for your forthright, courageous
and clarifying statement on the Civil
Rights Bill before Congress.

You have contributed a
statement of successful forward racial
relationship that will guide many of
our troubled city fathers thru the country.

Your demand for a clear
understandable and working law to
support such bill is timely and wholly
practical.

Such proven, successful
negotiated group progress calls for more
peaceful progress across the country and
puts Atlanta at the head of this march
of progress in this greatest American domestic
issue. Thank you for the leadership
Cordially, Marvin + Frank Hud
