

Sept 28 1966

Dear Mayor Allen,

I hope you realize the mistake you made tonight on TV and Apologize to Mr. Maddox for all the unkind things you said about him. It is un-Christian. Mr Maddox won fair and square over great odds 'TV' 'Atlanta Newspaper' 'big money' I don't like you or anybody using their public office to try to berate a good honest man like Mr Maddox. After you cool off I'm sure you'll be man enough to apologize.

But if you go fishing like you say you will. I hope you catch a good mess of fish, But be careful don't choke on any fish bones. I will use my American PRIVILEGE TO VOTE and do so. Keep your feet dry Mayor

Sincerely Yours Joseph E. Clifford
