RE: YOUR SPEECH ON W. S. B.
September 28, 1966.

Dear Mr. Allen:

I think this speech was very damageing (not to Mr. Maddox) but to you, yourself. It will long be remembered that you called us ignorant because we chose Mr. Maddox for our next Governor of Georgia.

I come in contact with a lot of people every day, and they all say that your speech was deplorable, and that you had no right to question the people's choice and to call us ignorant because we elected Mr. Maddox instead of your millionaire friend, Mr. Arnall. You seem to have the mistaken idea - that if you are not a millionaire, like yourself, you are ignorant.

It is the consensus of opinion of all whom I contact with that you should have let Mr. King speak for himself, as I feel sure he won't be running for any public office.

I'm glad that Mr. Maddox stands up for what's right.

Ivan Allen:

From your speech to the papers for publication, I believe that you used up all of the phrases and expletives that you could think of to berate and lower the MAJORITY of the voters that voted in the run-off election, they fit the ones that voted for Arnold ~~rather~~ than they do for the Maddox voters, I would be willing to bet you that there were more voters that signed their names with an X that voted for Arnold than voted for Maddox and Maddox got the HIGHEST NUMBER OF VOTES.

At least the ones that voted for Maddox were ALL GOOD AMERICANS, NOT REDS, PINKS, one worlders or any of the other OFF-BEAT BEATNICKS like yourself and a lot of the others in Atlanta that voted for Arnold.

the Ultra-Ultra Liberals are a lot worse losers than the Conservatives are, the Liberals want to control the whole world, make one world government out of it.

I HOPE that in the Next Election that we can get RID of you and YOUR ILK in the City of Atlanta, I was born in the City of Atlanta city limits as it was in 1912, and I am ashamed of the City of Atlanta and have been for QUITE a FEW YEARS and all because of its politics.

Your philosophy is ignorant and unworthy of Georgia history not Mr. Maddox's. It is you who needs educating not Mr. Maddox. It is you who should be voted out of public office, not Mr. Maddox.

Segregationist Tops Arnall In Georgia Democrat Runoff

ATLANTA, Ga. (AP)—Lester G. Maddox, a segregationist running a shoestring campaign, has captured the Democratic nomination for governor—upsetting a moderate candidate and Georgia's middleroad racial course.

Maddox, a furniture merchant who quit the cafeteria business rather than be forced to serve Negroes, decisively defeated Ellis G. Arnall, a former governor, in yesterday's primary runoff. Arnall had led a six-man race two weeks ago.

"God and the people are my campaign managers," exulted Maddox, 50, after pulling off the upset without big-money backers or the support of high-ranking politicians, reported the vote count stood at: Maddox 419,557, Arnall 356,078.

Not a Racial Campaign

A fiery opponent of the federal government, President Johnson, liberalism, socialism and communism, Maddox says he shares the racial views of Alabama's Gov. George C. Wallace. But Maddox said very little about racial issues in his campaign.

Arnall, 59, who scored a major upset two decades ago to win the governorship over the popular Eugene Talmadge, had charged in the runoff fight that Maddox was radical and an extremist, a man whose symbols were ax handles and pistols.

A Look at the Lester Maddox Political Method. Page A-12

Maddox, in resisting integration in 1964 and 1965, once waved a pistol to chase Negroes from his place and provided ax handles for white patrons. When ordered by a court to serve Negroes, Maddox quit the cafeteria business.

Arnall met Maddox to concede personally. Some followers of Arnall said Republicans voted for Maddox as the easier opponent for their nominee in November.

Taking on Maddox in the first Georgia two-party contest for governor since Reconstruction will be Rep. Howard H. (Bo) Callaway, the state's lone Republican congressman. He is a conservative ex-Democrat who helped carry the state for Barry Goldwater in 1964.

The voting patterns were jumbled strangely—adding at least some weight to the view that Republicans voted for Maddox. In the Goldwater strongholds of Macon, Augusta and Columbus, Arnall managed bare majorities after leading the field two weeks ago in those same cities.

In the lieutenant governor's race, the voters nominated moderate George T. Smith, speaker of the Georgia House, over conservative Peter Zack Geer, the incumbent.

Geer told newsmen last night: "I want to tell you one more time—I'm still the lieutenant governor of the white folks. I'm glad Lester Maddox beat Ellis Arnall."

Dr. Martin Luther King Jr., who lives in Atlanta, said the voting "revealed that Georgia is desperately competing with Mississippi for the bottom."

"I must confess that Mr. Maddox's victory causes me to be ashamed to be a Georgian. This pretends that the days ahead in race relations will be confusingly dreary and the nights will be darker than a thousand midnights."

Maddox takes charge of the almost completely disorganized Democratic party which under Gov. Carl E. Sanders has steered a moderate racial course.

Maddox will control the state delegation to the Democratic National Convention in 1968 and serve as titular party chief, even if he loses to Callaway on Nov. 8.

Wallace is expected to run for president on a third-party ticket in '68.

Mayor Denounces Maddox Victory

By RALEIGH BRYANS

Mayor Allen said Thursday that the "seal of the great state of Georgia lies tarnished" because Lester Maddox won the Democratic nomination for governor.

He also said:

"It is deplorable that the combined forces of ignorance, prejudice, reactionism and the duplicity of many Republican voters have thrust upon the state of Georgia Lester Maddox, a totally unqualified individual as the Democratic nominee for governor."

Mr. Allen won office in 1961 by defeating Mr. Maddox in a runoff. In the gubernatorial race this year he had openly supported Ellis Arnall.

He reacted to the Maddox victory in a statement that was at least as strongly worded and to the point as any he has made as mayor.

Then, during a press conference, he let loose and said much more in the same vein.

Mr. Allen was asked several times during the press conference whether he might not endorse and support Republican Howard (Bo) Callaway in the general election.

He had a variety of answers including one that won't do Mr. Callaway any harm.

Mr. Allen first said Mr. Callaway hasn't sought his support and that, besides, he wouldn't try to influence the votes of other Georgians.

Later he said he might simply go fishing Nov. 8, the general election date.

Finally he ended up saying he looks upon Mr. Callaway "as a man of intelligence, of good background, a man of honor and integrity who could bring honesty and decency to the statehouse."

MAYOR ALLEN nonetheless took a poke at "smart alec Republicans" who, according to him, voted for Mr. Maddox in the Democratic runoff primary Wednesday.

He declared that one thing he

intends to work for ardently is a state law that will force Republicans to vote in a Republican primary and Democrats to vote in a Democratic primary.

"Unless we do get on this basis, then the hope for a two-party system will be lost, in light of the duplicity that occurred yesterday," he said.

Mayor Allen said that racial prejudice and reaction to Atlanta's Negro riots figured in the way Georgians had voted on Wednesday.

"It is high time all Georgians put aside their prejudices and begin to realize that a large segment of our population that is Negro is entitled to full rights and privileges as American citizens," he said.

HERE IS the statement in its entirety:

"It is deplorable that the combined forces of ignorance, prejudice, reactionism and the duplicity of many Republican voters have thrust upon the state of Georgia Lester Maddox, a totally unqualified individual, as the Democratic nominee for governor.

"For the past quarter century our state has been outstanding in our region as the advocate of sanity and reason, and as the champion of progress.

"The seal of the great state of Georgia lies tarnished.

"The wisdom, justice and moderation espoused by our founding fathers must not be surrendered to the rabble of prejudice, extremism, buffoonery and incompetency.

"We cannot permit our state's progress to be stopped and reversed by yesterday's mistake."

Dear Sir:

Upon viewing your speech on T. V. following the nomination of Lester Maddox, I must comment. Your speech was sickening and utterly disgusting, who are you to criticize the peoples' choice. We are sick to our stomachs, of you crazy Liberals. You have indeed ended a short, lawless damaging reign to our Society. You guys are on your way out. You have pushed our people back against a wall, given in to communists let them really have their day, the world over. Fifteen Countries have gone down to these demons, while you

pet and pamper, and refuse to stand your ground. You are the poor-weak spineless jelly fish, who gave a banquet in the past to honor Communist trained Martin Luther King, a man who has become one of the richest negroes in America during the past ten years, and who has organized more than sixty Communist front organizations. You honored him, you stupid man, then they turned on you, and threw rocks at you. I told my husband that you would eat crow before you died, and you'll probably be served another course.

I prayed for Lester Maddox to win, and win next time. You should apologize to that fine Christian man, whom God has chosen to lead your people back to sanity. He

believes as our ancestors believed, and as the Great Abe Lincoln believe. Lincoln said "If we are to live together in this country, and live in peace, we must remain apart socially."

L.B.J. thought he would outsmart the great Lincoln, and tried to reverse that decision, and it backfired in his face.

The people are fighting back, while the chains remain un-locked around their ankles.

Lincoln told the negro to go on alone and make his way in life. Now these crazy Liberals are telling him that he cannot learn anything in school unless he is sitting next to a white child. They are re-tying the bonds that Lincoln severed. And you call that sanity, and think you have the right to Criticize a man who has the courage to stand up before his God and fight these evil people

that have taken his property,
caused him physical and
mental anguish, and brought

Allen Says "Unqualified"

Mayor Allen said Maddox was elected by the "combined forces of ignorance, prejudice, reactionism and the duplicity of many Republican voters." He called Maddox "totally unqualified" for the nomination.

"The seal of the great state of Georgia lies tarnished. The wisdom, justice and moderation espoused by our founding fathers must not be surrendered to the rabble of prejudice, extremism, buffoonery and incompetency."

Gov. George Wallace, a potential third party candidate for President in 1968 on a states rights ticket, said Thursday the nomination of Lester Maddox for governor of Georgia was a "return to those bedrock principles of our constitution."

Wallace said, "I congratulate Lester Maddox on his overwhelming victory in the Georgia primary."

Mayor Allen: I do not see how you can live with yourself when you have such hatred and malice and vengeance in your heart. "With malice toward none & charity for all" does not apply to you. Instead of cursing out Mr Maddox you should "cuss out" the people who voted for him -

Dear Mr. Allen:

Although I am not a supporter of Mr. Maddox, and I think it is unfortunate for Georgia that he is a prospect for Governor, I think your statement yesterday concerning him is unfortunate and unwarranted. Though he may make a poor Governor, if elected finally, your caustic comment was out of order.

The Editors; Yesterday's 6 PM. news I heard Ivan ^{Allen} foul the air over WSB radio, it was so foul it stunk all the way to south Ga. got Maddox 30 or 40 thousand more votes.

I was shocked at a man of his position to get in the gutter and spew out so much hate. This kind of hate publicity is the reason why the people will support Mr. Maddox. An old adage,

Dear Mr. Ellen,

How can you promote brotherly love when you showed so much hatred for Mr. Maddox on television tonight? Now you have lost all influence with your brother the Negro. You never had influence on the white people except to plant a desire in them for leadership from a man like Mr. Maddox. You are jealous because you do not have the back bone to stand for what is right.

The Negro on the street interviewed on Channel 5 has more ethics than you do. Think about it.

I am thankful my residence in Atlanta is in the past.

MAYOR ALLEN
ATLANTA
GEORGIA

1230 Fenwick St.,
Augusta Ga.
Sept. 30-46.

Hon Mayor Allen - I listened to your own
own S. V. yesterday. We are surprised that
there are so many ignorant people in Ga.

I voted for Maddox and will do so in
now. The folks who voted for Maddox
which is the majority cannot all be
ignorant simply because you see it that
way. The ignorant ones were those who
voted against him. The results of the
election certainly shows that the people
have had enough of the Federal
bureaucracy and do not aim to be
controlled by the Johnson Adm. They
have shown and rightly so that they
want to get back to the original
Constitution - to live by it and not by
the Johnson Humphrey Constitution.

Now I am originally from Pittsburg Penna.
I receive letters and clippings from relatives
and friends and they say and show
that the people in the North also have
had enough. I suppose that you will
consider all of them ignorant and stupid
also - simply because they will not

give in to the mobs or are not willing to be forced to do as our dictator Johnson demands. This country needs more men like Gov. Wallace - Gov. Johnson and Maddox - who are men enough to defy the dictators in Wash. Not like you or Arnall who seem to yes the mobs and the dictators.

Everything Johnson does is simply for votes. He has shown that he cares nothing about the aged - the hospital sit. must do as he says or else. He asks us to buy just what is necessary - still he spends billions like the money flows like water. You know you can fool some of the people most of the time - but you cannot fool all of the people all of the time. Here is a sure cure for World Tension - to climb the moon - perhaps the next astronaut will be Johnson and De Gaulle - ~~return~~ and a midget. When leaving the moon the two astronauts will leave the capsule on a 50' nylon rope. When at the end of the rope the midget will cut the rope. Simple isn't it.

(over)

Now Martin Luther King says he is
ashamed to live in Georgia. Will
you his information the majority of us
are ashamed that he does. But if he
feels that way I know I can get
thousands here & in the north that will
gladly donate money to buy him and
any others ~~as~~ a one way ticket to
anywhere in Africa here the others
want to go and the sooner the better.

I am sure that the colored folk do not
care about you - it was shown in the
demonstrations you had in Atlanta.

As long as you ~~bow~~ bow down to
them and love them - also pet them
you can get along but do not ever step
one foot out of line. We have had
enough of this one sided Civil Rights
stuff. The Negroes have become the
untouchables - we the goats. More
power to Maddog and also to you as
by your raving about ignorance you have
secured more votes for Maddog. ^{a.k. Muse.}

Mayor Ivan Allen, Jr.

Dear "Carbon Paper" Allen:

The dignity of a man who is mayor of our Atlanta was lost entirely yesterday with your deplorable comments about Mr. Maddox. To condescend to refer to him as "Drumstick Chicken Maddox" is one of the worst remarks that I have ever heard.

In his reply, Mr. Maddox said that you sounded like Martin Luther King. Mr. King says that the State of Ga. is sick, and in my opinion HE is the one who is sick--- in the head! With his communistic viewpoints he belongs in Russia and we do not care what he thinks of our wonderful State.

I have never voted for Lester Maddox in my life, nor do I ever intend to cast a ballot for him. However, he has made an honest living and, though it be with chickens, there is certainly no disgrace to this. You inherited your's- yes- it was handed down on a silver platter! Many of us are not so fortunate!

It would be well for you to take a lesson from some of our intelligent politicians who are discreet at the more crucial times and prove it by saying nothing.

Sincerely,

(Mrs.) Betty M. Wynn

Sept. 28, 1966.

Mr. Mayor,
Just a little reply
to your reaction of
the Maddox victory.
I would first like to
say that you are the
most unqualified
Mayor Atlanta has ever
had. Since you have
been in office, the
beautiful city has
been turned over to
your negro friends
Dr. Martin Luther King
& Mr. Stokely Carmichael.
Our homes are gone &
them, the parks &

everything else we
white taxpayers
citizens have always
prized. I have been a taxpayer
for over 50 yrs. but
like many others, I am
selling out & moving
on the outskirts & let
you & your colored friends
have it.

I'm proud of you as
I have never been before.
The white people are
sick & tired of you &
the LBJ administration.
Thank goodness, the people
have spoken.

Dear Sir:

I was amazed at how small you appeared on television Thursday evening - you reminded me of a disappointed dictator, your man lost and you was too small to take it like an American. You might try reading the Constitution of the U.S. before your next appearance on T.V. There is something in there about the majority of the people - ideas shall rule -

By the way - what was your record as a mayor - when you were elected?
