

The Editors; Yesterday's 6 PM. news I heard Ivan <sup>Allen</sup> foul the air over WSB radio, it was so foul it stunk all the way to south Ga. got Maddox 30 or 40 thousand more votes.

I was shocked at a man of his position to get in the gutter and spew out so much hate. This kind of hate publicity is the reason why the people will support Mr. Maddox. An old adage,

"No Body Raises His Character By Trying To Lower Others",
