Dear Mayor Allen, you may not think much of this letter after you have finished reading it, but I felt that I had to write to you in view of certain statements that were made by you a few days ago.

I am referring to one statement in particular, namely the one about "going fishing" on election day.

Mr. Allen I voted for you not because you are a Democrat but because I felt that you were the man for the job and I still think so.

I know that you are fully aware that whatever you say publicly has an effect on others, and that if you go fishing on election day someone is going to follow you, and that is the best way to get Mr. Maddox in that, I know.

On the other hand if we go fishing for ~~the~~ votes for the best qualified candidate we will be doing a great service for the State of Georgia and to the nation.

This is not a time for fishing on
the lake nor the river.

This is not a time for party
loyalty.

This is not a time for personal
attacks, but this is a time for
every right thinking, sober minded
& progressive minded Georgian to go
back to the polls and cast a
vote for the State of Georgia.

Let us get out the vote and
put the man in office that will
keep the state moving forward.

The important thing you is not
Republican nor Democrat but
Georgia and what's best for its
citizens.

If we keep this in mind there is
only one man that we can vote for
and that man is Bo. Callaway.

Remember Mr. Mayor if you go a-
fishing for votes we're willing to
go with you.

Sincerely Yours
Rev. Thomas Ward
