

Dear sir

In your statement
you spoke of going fishing
on election day, now I will
be at the polls voting
for Lester Maddox on that
day, however there is
great fishing places around
Acworth and I would
be glad to go with you
any other day to the
deepest water we can
find

I had the pleasure of being
~~out~~ with your father for
about 3 hr. in the yr 1919

I can hardly believe he
could raise a Cad like you
