

April 28, 1969

Mr. Louis M. Smith
Executive Secretary
West Central Coordinating Council
2804 Yates Drive, N. W.
Atlanta, Georgia 30318

Dear Mr. Smith:

Mayor Ivan Allen, Jr. has forwarded to me your letter of April 18, 1969 and the attached petition requesting a playlot for the A. D. Williams School/Bowen Homes area. I am immediately Mr. Joe Gentry, of our Parks Engineering Division, and Mr. Marvin Billups, Recreation Supervisor for your area of the City, to contact you personally and discuss in depth the location, design, equipment, etc. of a playlot.

After several years the City has finally secured title to a park site adjacent to the Bowen Homes, which is presently known as the Field Road Park Site. The name will probably be changed in the very near future but in any event I am asking, by copy of this letter, for Mr. A. P. Brindley, Parks Engineer, to write you a complete description on the size, proposed improvements, time schedule, etc. of this park facility.

It is our pleasure hearing from you and I am

Cordially,

Jack C. Delius
General Manager of
Parks and Recreation
