Mr. Roy W. Mann
The Best Manufacturing Company
Menlo, Georgia 30731

Dear Mr. Mann:

Thank you very much for your interesting letter of January 24th. We would indeed like to look further into opportunities for the type of employment you mentioned in the Model Cities area.

Mr. Dan Sweat, of my office who handles this matter, will be out of town until some time next week; and I should like to hold this matter in abeyance until he returns to discuss with him.

With appreciation, I am

Sincerely,

Ivan Allen, Jr.
