Decatur, Area Mayors Blast Allen On 'Rights'

Decatur Mayor Jack Hamilton says Atlanta Mayor Ivan Allen was not "speaking for a metropolitan city of 1,000,000" when he told a senate committee the other day that "his people" favor the public accommodations section of President Kennedy's proposed civil rights legislation.

Other mayors of the area commonly referred to as Metropolitan Atlanta, for which officials of the City of Atlanta often purport to speak, agree with Mayor Hamilton that Mr. Allen was off base.

The population of Atlanta proper is 504,000.

In a statement Wednesday, Mayor Hamilton, who is the Fifth District director of the Georgia Municipal Association, said Mayor Allen's testimony at the senate hearing was "ill timed and unfortunate."

"If Mayor Allen was going to speak for the metropolitan area of a million or more, which includes Decatur, it would have been well to have checked with all of the municipalities before presuming on their position," he said.

Think He's Nuts

Other DeKalb mayors who were asked by The New Era to comment disagreed with the Atlanta executive to a man.

"Ivan Allen is nuts," snorted

one DeKalb mayor.

"Mayor Allen was speaking as representative of a minority group in the City of Atlanta. His statement definitely does not represent the sentiment of the metro area," commented Mayor Ois Stephens of East Point.

Not For Hapeville

"Yes, Mr. Allen was speaking for one or two of our people, but we have 11,000 others whom he

did not speak for," said Mayor Frank E. Coggin of Hapeville. Mayor Coggin is also a state senator from Fulton County.

Mayor Hamilton said he thought Governor Carl Sanders, who followed Mayor Allen before the senate committee, "adequately refuted" the Atlanta official's testimony on the civil rights issue.

Mayor Harvey Armistead of Clarkston commented: "Mayor Allen may have been speaking for the 40,000 Negro bloc vote in his own town, but he certainly wasn't speaking for Clarkston or the rest of the metropolitan area."

Mayor Hamilton said the area mayors were especially displeased at Mayor Allen because he attended a luncheon of their group only one day before giving his testimony in Washington.

"He talked about everything else but civil rights during the luncheon. We had no idea he was planning to represent himself as our spokesman," said the Decatur executive.

You may be speaking for all the negroes in Atlanta, but certainly not for all the white people.

Need Accommodations Law To Hold Gains, Mayor Says

As perceptive men of wide experience I feel confident that you will agree with me that this is as serious a basic problem in the North, East and West as it is in the South. It must be defined as an all-American problem, which requires an all-American solution based on local thought, local action and local cooperation. The 500,000 people who live within our city limits consist of 300,000 white citizens and slightly more than 200,000 Negro citizens. That makes the population of Atlanta 60 per cent white, 40 per cent Negro. That 60-40 percentage emphasizes how essential it is for the people of Atlanta, on their local level, to solve the problem of racial discrimination in order to make Atlanta a better place in which to live.

As the mayor of the Southeast's largest city, I can say to you out of first-hand experience and first-hand knowledge that nowhere does the problem of eliminating discrimination between the races strike so closely home as it does to the public official. He is the man who cannot pass the buck.

From this viewpoint, I speak of the problem as having been brought into sharp focus by decisions of the Supreme Court of

(This is a portion of the text of the statement made to the Senate Commerce Committee last Friday by Mayor Ivan Allen Jr. of Atlanta.)

the United States and then generally ignored by the presidents and congresses of the United States. Like a founding baby, this awesome problem has been left on the doorsteps of local governments throughout the nation.

It is true that Atlanta has achieved success in eliminating discrimination in areas where some other cities have failed, but we do not boast of our success. Instead of boasting, we say with the humility of those who believe in reality that we have achieved our measure of success only because we looked facts in the face and accepted the Supreme Court's decisions as inevitable and as the law of our land. Having embraced realism in general, we then set out to solve specific problems by local cooperation between people of good will and good sense representing both races.

Given Rights

Atlanta's steps have been taken in some instances in compliance with court decisions, and in other instances the steps have been voluntary prior to any court action. In each instance the action has resulted in white citizens relinquishing special privileges which they had enjoyed under the practices of racial discrimination. Each action also has resulted in the Negro citizen being given rights

Mayor Allen

that responsibility of the press (and by this I mean radio and television as well as the written press) is inseparable from freedom of the press.

We are fortunate that we have one of the world's famous editorial spokesmen for reason and moderation on one of our white newspapers, along with other editors and many reporters who stress significance rather than sensation in the reporting and interpretation of what happens in our city.

As I see it, our Negro leadership in Atlanta is responsible and constructive. I am sure that our Negro leadership is as desirous of obtaining additional civic and economic and personal rights as is any American citizen. But by constructive I mean to define Atlanta's Negro leadership as being realistic—as recognizing that it is more important to obtain the rights they seek than it is to stir up demonstrations.

So it is to the constructive means by which these rights can be obtained that our Negro leaders constantly address themselves. They are interested in results instead of rhetoric. They reach for lasting goals instead of grabbing for momen-

Constitution of the United States. Under this Constitution we have always been able to do what is best for all of the people of this country. I beg of you not to let this issue of discrimination drown in legalistic waters. I am firmly convinced that the Supreme Court insists that the same fundamental rights must be held by every American citizen.

Atlanta is a case that proves that the problem of discrimination can be solved to some extent, and I use this "some extent" cautiously, . . . as we certainly have not solved all of the problems; but we have met them in a number of areas. This can be done locally, voluntarily, and by private business itself!

On the other hand, there are hundreds of communities and cities, certainly throughout the nation that have not ever addressed themselves to the issue. Whereas, others have flagrantly ignored the demand, and today, stand in all defiance to any change.

The Congress of the United States is now confronted with a grave decision. Shall you pass a public accommodation bill that forces this issue? Or, shall you create another round of disputes over segregation by refusing to pass such legislation?

Might Slip

Surely, the Congress realizes that after having failed to take any definite action on this subject in the last ten years, to fail to pass the bill would amount to an endorsement of private business setting up an entirely new status of discrimination throughout the nation. Cities like Atlanta might slip backwards. Hotels and restaurants that have already taken this issue upon themselves and opened their doors might find it convenient to go back to the old status. Failure by Congress to take definite action at this time is by inference an endorsement of the right of private business to practice racial discrimination and, in my opinion, would start the same old round of squabbles and demonstrations that we have had in the past.

Dear Mr. Mayor,

I noticed a letter on the window of Davis Brothers' Restaurant today which said that he was "shocked" at your testimony on The Civil Rights Bill that you gave before the Committee. I want to add to his shock my shame, and some of my neighbors who voted for you tell me that they would not vote for you again, that they are outraged by your stand on that issue, and also that you have spoiled the parks for their children and charging us a big bill for keeping the pools open to protect a few negroes who are very likely overpaid for doing what they are doing already.

Yours for defeat in the next election.

Sincerely,

Dear Sir:

I write to express to you my feelings against many of your actions in recent months.

My skin is white and I am the mother of two Atlanta physicians and a pharmacist. One of my doctor sons belongs to a private club and his children swim in a private pool, which, of course, is closed to your negroes. The pharmacist son cannot afford to belong to a private club, therefore his six children

You are a rich man with pools on

I followed your interview by the

THORNWELL'S CHARGE

E. English Thornwell, president of the Young Republicans, said Mayor Allen apparently "is now asking the federal government to solve problems which he himself has not had the courage to solve when the opportunity presented itself. Peyton Road is a good example."

"I can only wonder why the mayor has become so civil-rights minded all of a sudden," Thornwell added.

"I do not share the mayor's lack of confidence in the people of Atlanta to solve their own problems," Thornwell said. "Atlanta will not slip backward regardless of what happens in Washington."

A 73-year-old Negro man was shot to death by an Atlanta Negro policeman after the elderly man pointed a shotgun at the officer, according to police reports.

Officer J. H. Amos reported he fired six times Sunday at Walter Nolan at the Nolan home at 30 Burton St., SE.

Mr. Nolan had first confronted Officer Amos with a four-foot length of iron pipe when the policeman arrived to investigate a disturbance involving a woman and some children, police said.

Allen Called 2-Sided on Racial Issue

Fulton County Young Republicans charged Monday that Mayor Ivan Allen Jr. "did not speak for Atlanta" when he urged passage of the controversial civil rights proposal now before Congress.

In a sharply worded news release, the Young Republicans, in effect, charged Allen with duplicity in racial matters and said he was courting favor with the Kennedy administration.

The mayor appeared before the Senate Commerce Committee last Friday in Washington to urge passage of all portions of the Kennedy bill.

PEYTON ROAD CITED

"The mayor's plea for support of federal civil rights legislation opposed by nearly all Atlanta leaders, and by groups such as the Chamber of Commerce and Junior Chamber of Commerce," the statement said, "is in sharp contrast to his position on the Peyton Road barricade a few months ago, when he personally ordered physical separation of the races in that neighborhood."

The mayor's position Friday in Washington "is just the opposite of his 1962 stand in support of county-wide election of state senators in multi-district counties, a device admittedly aimed at keep-

Integrationists Set Big Atlanta Drive

An Atlanta civil rights group announced it is launching a new and more intensive attack on racial segregation in the city with massive demonstrations, civil disobedience, fasting and tougher terms of negotiation.

Ralph Moore, a past chairman of the Committee on Appeal for Human Rights, warned of "massive demonstrations" and said 800-900 persons already are available for mass street sit-ins.

Spokesmen for the committee said at a press conference late Monday afternoon it has become necessary to resort to such measures because city and business officials are dragging their feet and "Uncle Tom Negroes have infiltrated the freedom movement."

THE PRESS CONFERENCE announcements came shortly after 13 white and Negro demonstrators were sentenced to 34 days each in Municipal Traffic Court on charges of blocking traffic and disorderly conduct - disturbance. The charges stemmed from a demonstration last Friday in front of segregated Leb's Restaurant when the 13 persons sat down in the intersection of Forsyth and Luckie streets and blocked traffic

for several minutes.

Larry Fox, Negro student chairman of the Committee on Appeal for Human Rights, attended the demonstrators' trial, then called a press conference immediately after their conviction.

He said the 13 prisoners refused the choice of paying a \$34 fine each and instead have pledged to fast during their 34 days in jail. The actions of the demonstrators, he said, "have formally given notice that we are going to keep trying to desegregate Atlanta."

HE SAID, "We will continue street demonstrations until the situation has been remedied, until segregation has been eliminated in Atlanta."

Mr. Moore said demonstrations will be focused on Leb's Restaurant and on City Hall—Leb's because it is a "symbol" of continuing segregation in the private sector of the economy, and City

Hall because qualified Negroes cannot obtain employment there.

He said, "Just replacing a white employe leaving City Hall with a Negro is not fast enough. We need corrective action."

Asked if this meant firing some white persons so that more Negroes could get on the payroll, Mr. Moore smiled and remarked, "I didn't say that. I said we need corrective action."

HE DID ASSERT, however, that Negroes should be employed in city government in the same ratio as their percentage in the general population.

He praised Mayor Allen for his support of President Kennedy's proposed public accommodations law but added the mayor still "has not exhausted his moral influence" in helping Atlanta Negroes to "achieve first-class citizenship."

"Since small, nonviolent demonstrations have been ineffective," he continued, "we're going to involve as many people in Atlanta now as we can." He said his organization was now able to marshal 800-900 demonstrators.

HE SAID, "Uncle Tom Negroes have infiltrated" the committee.

Mr. Fox pointed out, "In the past three years, some people who are not interested in the student movement have tried to infiltrate and water down our action."

He said attempts are being made to oust "the Uncle Tom types." He repeatedly declined to identify by name those members of the Atlanta Negro community that he considered "Uncle Tom types."

Mr. Moore added that in future negotiations with Mayor Allen, the committee will refuse to talk if the mayor includes "Uncle Tom Negroes" at the bargaining table.

He said demonstrators will start resorting now to street demonstrations "because the police, judges, officials and the state are not protecting them at restaurants."

Dear Mayor Allen,

I am a native Georgian
but I must say that I could
scarcely believe my ears when
I heard your testimony before
the Senate Committee. Naturally,
I would presume - you had good
reason for supporting this
horrible Civil Rights Bill. How-
ever, I think you will find that
there are those who see this
piece of legislation as merely

a wolf in sheep's clothing to gather more control by the Kennedy Brothers. Already we are hearing of instances in Civil Service where negroes are receiving promotions entirely unwarranted by their present rating. Also - in industry reports are circulating that if a negro isn't hired - the employer must give a full report why not etc - If these "gestapo" tactics are cropping up before we have the bill adopted - just what can the small business man expect? - I, for one, think that all this pseudo humanitarian swell is just so much hypocrisy. The full intent is simply to stir up racial discord - Have the Federal govt. step in - which only intensifies the situation. The dear Supreme

Court brothers tried to do what
the good Lord himself didnt
do - Namely - make us all alike
in every respect - This mixing
business simply wont work!
Let the negro have his rights
but combine that with the idea
that he cant demand privileges
simply because some are wanting
to grab his vote. I think it is
well that the northern section
of our country sees just how un-
stable and immature these
demonstrations have shown the
negro to be - Someone has certainly
been inflating their leaders with
some far out idealogy.
This letter requires no answer - I
simply cannot remain silent when

I feel that this Civil Rights
bill is not the answer for might
doesn't always make right!

South Cracks In Rights Fight

WASHINGTON (UPI) — Mayor Ivan Allen Jr. of Atlanta broke the pattern of southern antagonism to President Kennedy's civil rights program Friday by urging Congress to outlaw racial discrimination in restaurants, hotels and other private businesses.

At the same Senate Commerce Committee hearing, Gov. Donald S. Russell of South Carolina said that enactment of the controversial public accommodations proposal would aggravate race tensions.

VERBAL CONFLICT

The hearing was enlivened by another conflict between acting committee chairman John O. Pastore, D-RI., and Sen. Strom Thurmond, D-S.C. The two engaged in a snappish verbal exchange when Pastore accused Thurmond of asking "loaded questions to catch tomorrow's headlines."

Allen testified that Atlanta has made a start toward integration. But he said failure of Congress to pass an anti-discrimination law might encourage communities where voluntary efforts have begun to lapse back into previous segregation practices.

ENDORSES BUSINESS

"Failure by Congress to take definite action at this time," the Georgian said, "is by inference an endorsement of the right of private business to practice racial discrimination and, in my opinion, would start the same old round of squabbles and demonstrations that we have had in the past."

Dear Mayer Allen;-

I saw you on TV when you appeared before a congressional committee to testify on the President's Civil Rights bill.

Here at my summer home with several South Carolina friends, we were all SHOCKED and AMAZED with your support of the BILL. Must say, I was GREATLY EMBARRASSED when my friends said, "WHAT is the MATTER with ATLANTA'S MAYOR?"

I enclose a clipping from our Atlanta northside weekly, The Metropolitan Herald which also further expresses my sentiments.

Hope that you will STUDY the bill and see how it will affect IVAN ALLEN CO. as well as other businesses.

Yours for GOOD Government in Atlanta,

Norwood Key Taylor
Mrs William S. Taylor

Mayor Allen Must Not Have Read The Bill

The kindest thing that could be said for Mayor Ivan Allen regarding his now famous support of the President's civil rights bill before a congressional committee is that he had not read the bill, as his speech clearly indicated.

It was publicly announced that the mayor had been invited to testify on the bill itself, but instead he made a political-type address and in the course of his oratory actually endorsed federal legislation which would force privately owned businesses to operate as the Attorney-General of the United States sees fit. We are sure that businessman Ivan Allen would not want the thriving company of the same name operated at the

whim of any U. S. Attorney-General, but that, in effect, is what he supported.

Meanwhile, here at home Negro demonstrators in seeking to take over a privately owned business also assumed the right to take over the public streets and sidewalks at a busy intersection in downtown Atlanta. Traffic was blocked and general confusion was the order as the demonstrators stretched out in the streets halting passing motorists. There was a near riot as motorists became impatient at being unable to continue along the downtown streets. Could this be part payment by the demonstrators for Mr. Allen's support of the civil rights bill? Only time will tell.

Looking Ahead

Atlanta rung up another "first" last week when the Mayor appeared before the Congressional Committee which is holding hearings on the President's Civil Rights bill.

The solid rank of opposition of Southern sentiment against the bill was 'bent' not broken, when Mayor Allen went on record as favoring the bill.

His surprising action shocked the community into a rash of speculation as to just what his political career can possibly gain from his stand.

There are those who claim he is looking forward to a stab at the Congressional Seat when and if Fulton County becomes a separate district and Representatives are again elected to go to Washington.

There are others who staunchly declare that his well-known ambition to become Georgia's Governor was the motivating reason for his stand.

The first reason seems most logical. With the ever-growing Negro registration in Fulton County it is more reasonable to think that his ambition points towards the Congressional seat rather than the Governor's chair.

True there is a tremendous Negro registration in Fulton County, but if what we hear is indicative of local reaction, we might just have another 'bloc' white vote should this come about. Just what aroused white voters can do when they decide they have had enough was clearly demonstrated in Macon a few weeks ago when B. F. Merrit was swept into office over another prominent business man who had the endorsement of the Macon branch of the NAACP and the Macon daily paper.

Once before this combination resulted in the election of lame duck Mayor Ed Wilson, an unsuccessful candidate for Lt. Governor last year and when Mr. Wilson emerged a winner the news was broadcast to the four winds by not only local Macon sources but also by Atlanta newspapers.

The curious quiet on the local scene about the recent Macon election seems to prove that it was not only unexpected in the do-gooder ranks but most disappointing.

Therefore, while Mr. Allen's reason for taking his surprising stand on the Civil Rights bill might point to his ambition to run for Congress from an Atlanta district and MIGHT BE SMART, HE TOOK a BIG CALCULATED RISK IN VIEW OF THE APPARENT CHANGING WHITE FEELING ON THE SUBJECT.

We believe Mr. Allen is smart enough to realize just what he has stepped into in his political career.

Frankly, if his ambition points to a shot at the Governor's chair, that would point stronger to the risk being much greater. Really, we, just as most

other towns in the Fifth District and Atlanta cannot figure just what was the motivating reason, unless it was simply a shot in the dark or his biggest mistake so far.

Meanwhile, rumors going around have it that Martin Luther King is in trouble with his co-horts in the racial demonstration field. It is being said that the older, more stable Negro organizations are dissatisfied with King's continued agitation and the violence it is producing, and are using his rumored Communistic connections to ease him out.

Meanwhile, although Atlanta heard first of King's connection with O'Dell several weeks ago through the columns of the Herald, Alabama papers as well as the New Orleans Times-Picayune and the St. Louis Globe-Democrat have been spreading this news for months, in fact since last December, so it took very little digging on the part of local reporters to come up with this 'stale' story.

Yes, it looks as if the worm is turning and that we'll probably have much more quiet on the racial front as white people begin to let it soak in how they have been taken to the cleaners by the minority groups and the do-gooders, in recent months.

Robert Kennedy Is Accused Of Stirring Racial Violence

WASHINGTON (AP) — Mississippi's chief legal officer Tuesday accused Atty. Gen. Robert F. Kennedy of sending Justice Department agents into the South to stir up racial violence.

He said Kennedy has "demonstrated to the nation his immaturity, irresponsibility and fiendish delight" in wielding power.

State Atty. Gen. Joe T. Patter-

son's attack on the Kennedy administration drew a lecture from Sen. A. S. Mike Monroney, D-Okla., presiding over a civil rights bill hearing, that Patterson had damaged his own case with "intemperate language."

Patterson said:

"I firmly believe that the present U.S. attorney general, with the approval of the President of the

United States, is far more responsible for the racial violence and troubles we are having throughout this nation than the ruthless leaders who are sponsoring and promoting racial unrest.

"I make this charge because I know as a matter of fact that down in my state agents and representatives of the U.S. Department of Justice are ever present where there is racial trouble and instead of working with the duly elected and responsible officials in an effort to prevent violence and disorder, these agents of the U.S. attorney general actually aid, abet and encourage violation of state laws and municipal ordinances, assuring the agitators that if and when arrested the Department of Justice will come to their rescue."

Sen. Philip A. Hart, D-Mich., said he was shocked by Patterson's attack on the President and the attorney general and said: "We'd better not be diverted by this kind of personalizing."

Patterson replied:

"I say again, without apology—those two individuals have taken their powerful offices and used them to bring about racial situations."

Patterson testified at a Senate Commerce Committee hearing on a bill to outlaw discrimination in theaters, stores, restaurants and other public accommodations.

He denounced the administration's civil rights program as unconstitutional, paternalistic and unnecessary.

Patterson's attack was similar in some respects to that delivered July 12 by Gov. Ross Barnett of Mississippi. Barnett accused President Kennedy and his attorney general brother of "sowing the seeds of hate and violence."

LETTERS TO THE EDITORS:

'Sanders, Not Allen, Speaks for the South'

The Editors: Mayor Allen's assertion that "Congress can't expect local governments to handle as difficult a problem as this (integration) . . . with no help, no definitions, no support" seems to me to be contrary to the opinion of the responsible leadership of the South, who want to preserve our basic freedoms and for the federal government to stay out of local and state affairs.

With more "responsible" leaders being elected all the time, there will be no need for such legislation, and indeed it can only hamper the reaching of "logical agreements" on the local level, where all such problems should and must be solved to have lasting and progressive effects.

It seems to me that Gov. Sanders' progress and handling of his state is exactly the leadership endorsed by Sen. Goldwater in order that the country may get away from federal control and dependence on federal financing. It's a shame that they are on different political teams.

JAMES C. REEVES JR.
Canton.

'Allen's Views Were Not City's'

The Editors: Atlanta has given more rights and privileges to the colored race than any other city in the South, which is as it should be. However, this does not seem to appease the colored leadership. They demand more and more rights and there seems to be no end to what they want.

In all fairness to Mayor Allen, and he is entitled to his views, I think business, which pays the lion's share of local taxes, should have a voice in whom it may serve. It looks as if the mayor went out of his way to muddy the waters. I have a new and profound respect for our governor after his visit to Washington.

Atlanta will go forward no doubt for many years to come, but Mayor Allen should state

that the views he expressed were his own and not necessarily those of his employers, the taxpayers.

RALPH FARMER.

Decatur.

'Allen Using Stepping Stone'

The Editors: I, an Atlantan, am ashamed to claim Ivan Allen as the representative of my city and community. Anyone with normal sense can note that Mayor Allen is using Atlanta for his "stepping stone" to national politics. This is the only reason that he has endorsed the civil rights program that President Kennedy has proposed for our nation.

V. STEPHEN COLE.

Says Mayor Allen Disgrace to City

The Editors: Ivan Allen is a disgrace to the great city of Atlanta. Anyone who heard his remarks to the Senate committee should be up in arms to tar and feather him.

Anyone who would deliberately throw rights and freedom under the heel of a powerful government . . . shouldn't be in charge of the garbage dump.

If private business loses out, the rest will go quickly and quietly. Amen.

Bandits Threaten Woman, Get \$1,000

By ORVILLE GAINES

"Let's kill her. We've killed before."

Those words, spoken by one of two robbers, chilled a resident manager of an apartment project as she sat with her hands tied in a small room in southeast Atlanta Monday.

"I'll never forget those words—or the guns they carried," Mrs. Frances A. Williams said.

Mrs. Williams said that the younger of the Negro robbers objected to his companion's urge to kill. "But I don't want to kill her," he protested, telling her: "I ain't going to hurt you."

Detectives M. E. Moon and H. L. Whalen said the youthful robbers entered the rental office, located at 385 Sawtell Ave., SE, Monday afternoon and asked for employment.

As the resident manager was explaining that she was not in charge of employment, the youths suddenly pulled pistols. "Be quiet and hand over all the money," she was told.

Mrs. Williams was then shoved into a back room, where her hands were tied.

"I heard the older robber say, 'Kill her. We've killed before.' They then went through a safe and took out approximately \$1,000 in cash and more than \$2,000 in checks," Mrs. Williams related.

THE DETECTIVES said a maintenance employe entered the office as the robbers were preparing to leave. They ordered him at gunpoint to "be still."

One of the robbers was believed to be in his late teens, the other two or three years younger.

Atlantan Dies In Argument; In-Law Held

A young Atlantan was shot to death Monday night during an argument over punishment he meted to his half-sister, police said.

Homicide Detective L. Goss said the victim, Warren Wyatt, 22, Negro, of a West Avenue, NW, address, was shot in the head. His stepfather, Ozvelt Luke, 45, of the same address, was treated at Grady Hospital for four stab wounds in the back, then jailed on suspicion of murder.

Witnesses told the officer that the victim had scolded and whipped the young girl. His stepfather admonished him for disciplining her and told him, "Don't beat her. You tell me and I will tell her what to do," police were informed.

Two shots were fired after the victim said, "I will whip her again if she don't do as I tell her," witnesses told police.

The investigation is continuing to determine who stabbed the arrested man.

Man Slain After Chase In Stolen Car

A Negro man, driving a stolen car, was killed after a police chase that reached speeds in excess of 100 miles per hour in DeKalb and Gwinnett counties early Tuesday, police said.

DeKalb Police Inspector E. T. Wagon said the car skidded out of control on Indian Trail Road near the Northeast Expressway in Gwinnett. The driver jumped out of the vehicle with a screwdriver in his hand and started running.

ADDRESS 285

Mayor Ivan Allen

U.S.A

August 2, 1963

Mr Mayor
The City of Atlanta
Atlanta, Georgia

Dear Mr. Mayor:

The colored people
are reaching far beyond
their rights in their
strife for freedom.

Freedom is a mental
and spiritual experience,
but where are the negroes
looking for it? Do they
expect the whites to give
it to them? But most of
the white people do not
have it nor do they fully
understand the real
meaning of it. Those who
do understand it have
done much for the colored.

The negroes should

be reminded that they stem from generations of cannibals, barbarians and slaves, and still have a long way to go to match the status of the white man.

Those who were able to break through their mental barriers have done it for themselves and not for the entire colored race, but they must serve to enlighten their own people; and the colored must look mainly to them and not to the whites. If they are dissatisfied with their living conditions or neighborhoods, then why don't they strive to improve them? Is the grass greener or does the sun shine brighter else-

where? And who cheapened
and degraded their neighbor-
hoods in the first place?

For negroes merely to
cover themselves with
deception or borrowed
garments of superiority
and to try to claim higher
places in life will not
lift them out of their
state of inferiority. When
the sincere man recognizes
his shortcomings, he strives
to improve himself and
to come up to others rather
than cause others to come
down to him.

As far as government
issues are concerned
they have a right to claim
their part in them; but
when it comes to private
matters or enterprises,
they have absolutely no

right whatsoever & push themselves upon them.

This is being done in Communist countries, but free-loving people should not want this way of life. We cannot gain freedom by infringing the rights of others.

Freedom must come, not through force nor threats but through love and right reasoning. If the white people who allow themselves to be forced into obeying the demands of the colored then they are giving them the power to dominate them.

It is tragically wrong & close up colored schools and send their children & white schools. Schools,

churches and communities
must go hand-in-hand.
 If a few colored happen
 to live close to white
 schools then they should
 have the right to attend
 them. It seems that the
 colored, as soon as they
 begin to make progress,
 want to escape from
 their own people, yet
 they are trying to push them
 on to the whites.

A few months ago Nancy
 Dickerson told on her "One
 Woman's Washington" broad-
 casts that that city was
 terribly infested with
 rats and with crime.
 I have lived in Washington
 and I was disturbed to
 hear such things about
 that beautiful city. Well,
 I think I now understand

The reason for those problems and I will try to explain it.

My family and I once lived in a refined, clean and pleasant neighborhood that was located on one of the many lovely hills of our city. After the war started and there were plenty of jobs for all, colored people began to move close to our community, and many unpleasant things began to happen. Some of the streets became unsafe at night, and handbags were snatched ^{etc.}

I moved away from that city. When I visited my relatives in 1947 I found that colored people were already living

in the community. When I returned again, in 1950, I beheld a dreary sight. Most of the white people had moved away and the rest were looking for new places. My mother was very sad and reluctant to leave the home she loved so much. Since I love to walk, I ventured out a few evenings and I saw rats racing across streets. I was horrified. I had never before seen such things on my many walks.

The lower elements in the human nature are more active than the higher; and the colored influence is doing more

To drag down the whites
than the white influence,
to lift the colored. They
are greatly in need of
help and there is a way
out for them, but their
leaders are neither
qualified nor advanced
enough to advance them.
And from the way things
look, neither do the white
leaders know how to help
them.

I have the complete
solution to the entire
negro problem and I
am supposed to present
it only to President Nelson
Rockefeller. I am not
permitted to give it out to
anyone else. No President
Rockefeller, no solution. I
shall explain this in a ^{sincerely}
separate letter. (Miss) Ethel Akhaddo

Dear Mr. Mayor

We took notice of your appearance recently before a Senate Committee where you took our side in our struggle to subjugate the white man. Our thinking being along the line of Marxian Telestic Materialism. We know that to do this you would have to be a traitor to your own people who are ninety nine percent opposed to integration.

However do not be discouraged. We can use Southern traitors in our organization. We inclose application inviting you to sign and return. We are sure you will feel at home with -

This CRA Bill is the most
vicious piece of legislation
anyone has ever tried
to put on free people.

Before it is too late I
pray you take a good long
look and change your
mind. Try to ~~see~~ ^{think} what it will
do to you personally, none of the
white people will have any

Dear Mr Allen,

As a citizen of this City, I am deeply saddened that you would agree with the proposal in the Civil Rights Bill, regarding the "public accommodations" article.

You are a wealthy man, as a result of your father's hard work, as a pioneer in the free enterprise system, or the American Way of Life.

Mr Allen, how could you?

Mr Valentine wrote an article in the paper, that letters were for you 2-1 in your stand, throughout the nation. What was the percentage

Thank you for your reply

Dear Mayor Allen,

We have just returned from vacation and understand there is a proposal for leaving trash in one's yard rather than the street. While I agree trash in the street is a hazard, I would certainly prefer that than unsightly Atlanta yards. We have spent the past year in a new home working to get and maintain a nice stand of grass. Since we are at the bottom of a hill, not only would we have our trash piled up, but everyone else's would either blow or wash from their yards to ours. When it is in the street, it washes down to the storm sewer.

It is our fervent hope that this ordinance will not be passed.

Very truly yours,
Mrs. J. M. Aiken, Jr.

P.S. It was disappointing to us, that you found it necessary to take your stand in Washington

my dear Sir: I'm not exactly white nor am I a restaurant owner! I'm just an insignificant bread-winner with a sharp interest in the race issue who for the last 10 or 11 years has worked in the "better class" restaurants of several States.

Based on my own personal experiences I'd say that more often than not when a negro comes in a better class restaurant here in the "north," he does so to either test whether or not he'll be given good service and/or give the manager, help or other guests a hard time by being nasty or loud, obnoxious, and the like!

Mayor Makes Idea of 'Mixing' Laws

By STEVEN GERSTEL

WASHINGTON (UPI) — The mayor of Atlanta today urged Congress to enact President Kennedy's proposal to ban racial discrimination in hotels, restaurants and other private businesses open to the public.

The appeal of Mayor Ivan Allen Jr. was the first by a major Southern public official favoring the so-called public accommodations act at hearings by the Senate Commerce Committee.

Allen led off a full day of testimony on both sides of the Capitol today on civil rights legislation. South Carolina Gov. Donald S. Russell was scheduled to appear before the Senate group after Allen.

Mayor Allen testified that if the open-facilities act is not enacted some Southern cities which voluntarily banned discrimination might reverse themselves and return to policies of strict segregation.

"Cannot Dodge"

"We cannot dodge the issue," Allen said. "We cannot look back over our shoulder or turn the clock back to the 1860s."

But Allen said a public accommodations act should contain provisions giving cities and businesses "a reasonable time" to desegregate before the Federal Government intervened.

"It might even be necessary that the time factor be made more more lenient in favor of smaller cities and communities," Allen said, "For we all know that large metropolitan areas (have) ability of adjusting to changes more actively than smaller communities."

Over the past several years, Atlanta has desegregated public schools, lunch counters, city facilities, swimming pools, hotels, restaurants and movie houses, and has started hiring Negro firemen. Allen conceded that the city has achieved only a measure of success and said that participation of Negroes has been limited so far.

Small Amount

As an example, Allen said voluntary elimination of discrimination in Atlanta's leading restaurants had affected only a small percentage of the hundreds of eating places in the city.

The mayor said that if Congress failed to pass a public accommodations bill it would "amount to an endorsement of private businesses setting up an entirely new status of discrimination throughout the nation."

Woman Claims She Was Raped By Three Men

ATLANTA (AP)—A 49-year-old white woman told police she was raped by three Negroes Friday night after being forced into an automobile in the downtown section.

She quoted the Negroes as saying, "You can't say a Negro hasn't had something to do with you."

Police said they found the woman in a hysterical condition.

She gave this account:

She was walking near a motel on Carnegie Way when the Negroes drove up, pointed a pistol and told her to get in the car or they would "blow your head off."

The trio slapped her around, then drove to an area off Techwood Drive where she was dragged from the car.

She was taken to Grady Hospital for treatment.

Atlanta Traffic Tied Up By Sit-Down Demonstration

ATLANTA (P)—Kicking and pushing marked a street sitdown demonstration that tied up traffic for several blocks in the downtown area Friday.

Three white persons and 10 Negroes were arrested on charges of blocking traffic and disorderly conduct-disturbance.

Before police arrived, several hundred persons milled around in front of Leb's Restaurant, a target of the demonstrators. Several demonstrators were struck, kicked, pushed and dragged across the pavement by white spectators. In some cases, spectators tried to pull protestors from the intersection to permit cars to pass.

It was the first such street demonstration in efforts to desegregate downtown restaurants which did not join in an integration move by other eating places recently.

The demonstrators were members of the Committee On Appeal For Human Rights. Earlier some of them had picketed Leb's Restaurant.

Two demonstrators were taken to a hospital for treatment after the sit-down.

Picket signs were jerked from the hands of demonstrators and torn to pieces by onlookers.

The 13 arrested persons were picked up bodily by police and placed in a paddy wagon after they refused to move. At police headquarters, they refused to get out of the wagon until officers persuaded them that one of their number, an injured woman, would get medical treatment sooner if they left voluntarily.

The 13 got out and dropped to the pavement. Trustees dragged the men and carried the women inside.

During the earlier picketing, Thomas Taylor Tolg, 22, Oxford, Ohio, was arrested when he refused to move away from the door of Leb's on a police command.

Civitan Members Of Convention Unit

Ocala Civitans have become members of the Ocala Silver Springs Convention Bureau — results of a meeting this weekend with the club's board of directors.

Directors of the club voted Thursday to enroll all Civitans in the Bureau, making it the first local service organization to take such action. The decision was attributed to successful handling of the Civitans' area council meeting by Harry Helvenston, Convention Bureau executive director.

Meeting at the Verton Gay residence, the club directors also discussed projects for the coming year. The list includes fruit cake sales to aid the mentally retarded, sponsorship of Boy Scout Troop 115, and a little League Baseball Team.

Program Chairman Bill Resor announced that the next Civitan luncheon meeting will be at 12:15 p. m. tomorrow. Featured speaker will be Bill Ray, new publicity consultant at Homosassa Springs.

Only 2 Weeks Remaining For CFJC Students To Register

Prospective students at Central Florida Junior College have only two more weeks to apply for enrollment in the 1963 fall term, Dean of Students Terry U. O'Banion announced.

Deadline for filing application for the new term is 4 p. m. Aug. 9, O'Banion said. Classes begin Aug. 19.

During the summer, 385 students — predominantly new freshmen — have completed application for admission for the 1963 fall term, O'Banion said.

The first-time student, whether

he is an immediate high school graduate or college transfer, must submit a formal application for enrollment and pay the \$5 application fee, plus furnish a high school or college transcript.

After notification by the college of his acceptance, the student takes a compulsory battery of tests administered by the college, completes a program of advisement by college counselors, and is then ready to enroll for specific courses to complete registration procedures.

The final testing session for the summer will be conducted Aug. 14 on campus, when all new students who have not taken the tests must do so before enrolling for the first term. Some 328 new students completed the tests earlier this summer.

Orientation Set

Orientation for all new students in day classes will begin at 9 a.m. Aug. 19 at the Ocala High School Auditorium. Orientation for new students in the evening classes is scheduled at 6 p. m. Aug. 22 in the Science Building Auditorium on the CFJC campus.

Registration days will be Aug. 21 for returning students; Aug. 22 and 23 for new students; and from 6-9 p.m. on Aug. 22 for evening classes. Both day and evening

classes will begin Monday, Aug. 26.

On the basis of early applications of new students, along with a large number of returning students already counseled for courses college officials predict a continuing upswing in enrollment during 1963-64.

Senator Hails Allen For Attacking Bias

By **TED LIPPMAN**
Institution Washington Bureau

WASHINGTON, D.C.—Mayor Ivan Allen Jr. Friday urged Congress to pass a "public accommodations" civil rights bill.

He said the country needs a clear definition from Congress on what must be done to do away with racial discrimination. Without that, he said, cities like Atlanta that have made progress voluntarily will "slip back."

The mayor said that if Congress does not act, it will be in effect an "endorsement" of segregation.

The mayor was the first Southern politician to testify in favor of the legislation. He was warmly praised for his statement by the chairman and other members of the Senate Commerce committee, which is handling the bill.

TERMED VALIANT

"I am humble in your presence" Chairman John Pastore of Rhode Island told Allen. He said Allen displayed "courage" in speaking out for civil rights because he came from an area "where sincere people disagree."

Pastore is an advocate of civil rights legislation. He and Sen. Strom Thurmond, D-S.C., who is opposed to the pending bill, got into a hot and angry, top-of-the-lungs argument while Allen was on the witness stand.

PINPOINTING ASKER

Pastore accused Thurmond of asking Allen "loaded" questions and threatened to rule him out of order. Thurmond accused Pastore of "gag" rule and accused the audience, which had applauded Pastore, of being "a bunch of left wingers."

The burden of Mayor Allen's testimony was that if Congress would specify just where discrimination is illegal, it will be easier for local governments and businessmen to comply with demands from Negroes for more rights. He said Congress ought to outlaw discrimination in private business—but give communities "24 months or more" to adjust to the new law.

"I have heard dozens of businessmen say that if there had been a simple order or definition by Congress, it would have been easier to desegregate," Allen said.

Thurmond pointed out to Allen that eight of 10 examples the mayor cited of desegregation in Atlanta had been voluntary ac-

Girl, 8, Dies Of Encephalitis At Savannah

SAVANNAH (AP) — Nancy Fay Justice, 8-year-old girl, who had been critically ill for two weeks with symptoms of encephalitis, died Friday at Hunter Air Force Base Hospital.

She had been admitted to the hospital July 1.

A Hunter public information office spokesman said that the probable cause of the little girl's death was due to a type of encephalitis not connected with the recent "encephalitis" reported in Chatham County.

Several horses have died here in the past two weeks, their deaths being blamed on a type of sleeping sickness.

Nancy was the daughter of Capt. and Mrs. James E. Justice.

Decaturite Claims Rape, Beating Here

A 49-year-old Decatur woman was forced into an automobile with three young Negroes who attacked her and raped her late Friday night, police said.

The white woman told police she was walking near a motel on Carnegie Way when the men drove up, pointed a pistol and told her to get in the car or they would "blow her head off."

She told police the trio "slapped her around" then drove to the area of Techwood Drive and Baker, Harris, and Williams streets where they dragged her from the car, tore her clothes off, and raped her.

THE WOMAN, whom officers said they found in a "hysterical condition," told police also that the men beat her again after they had raped her.

They told her, "You can't say a Negro hadn't had something to do with you," police quoted the woman.

She was taken to Grady Hospital for treatment and later dismissed, police also said.

The assailants were all said to be between 20 and 25 years of age and between 5 feet, 7 inches tall and 6 feet tall, police said.

The Ivan Called Allen Had Right Of Free Speech But Thurmond Didn't

There was a Louis Pasteur, who rendered great service to mankind. Now there is a John Pastore, Catholic Congressman from Rhode Island, who is chairman of the Senate Commerce Committee. He looked like an angry schoolboy who had been chastised by the teacher in the Ivan Allen hearing on TV last Friday in Washington, D.C.

Allen was urging passage of the public accommodations part of the atrocious civil rights bill and, in fact, urged passage of the bill, *en toto*. (Atlanta's Chamber of Commerce opposes it).

Storm Thurmond, a member of the committee, former Governor of South Carolina and a congressman from the Palmetto State, was trying to get some sense out of both Pastore and Allen, but Pastore angrily denied his continuance on the subject. That's a great new procedure under the Kennedys. If you don't follow the Kennedy party line, your right to free speech is knocked off.

What we're getting to is not Pastore, however, but the Allen named Ivan. We never knew anyone named Ivan who wasn't a Russian until we came across Atlanta's dear Mayor, whom The Constitution now hails once again as giving the senators and the nation "a look at one of the keys to Atlanta's greatness; its sense of fairness and local responsibility in racial matters." How touching!

The heading on the editoria was truth enough, though, saying — "Allen May Have Put Cart Before Horse." We think they ought to recommend that Allen be put before the cart. Because he is some part of a horse, if you know what we mean.

About this Ivan business. The Mayor of Atlanta, an Allen named Ivan, must be staying out in the sun a lot with that blond complexion of his because it appears to us that he is turning altogether pink. He is making defeated candidate for Mayor of Atlanta, Lester Maddox, look better every time the Ivan called Mayor opens his mouth.

Some colorful language is beginning to creep into editorials. The other day Life Magazine,

questioning the protection of a Judge's son who, in a drunken escapade, hit another car and killed four people, got off scot free at the trial. Life asked pointedly: "What the Hell goes on!"

We would like to add: Damn a Southern who would follow the atheist-inspired Supreme Court of the United States and the Kennedys in trying to GUT the right of a private business man to run his business as he chooses, hire the people who can help his business as he chooses, serve the people he chooses, and generally trying to make laws that are exclusively the right of The Congress to make, under the constitution of the United States. We have a new and strange "Law of the Land." The 90% is supposed to bow to the remands of the 10.5%.

Small wonder we lose state's rights; the honorable men who, led by Jefferson, conceived the Bill of Rights and the Constitution, must be spinning in their graves at the flagrant, illegal and fraudulent manner a bunch of ham politicians on the national level are trying to arbitrarily sack the rights of men engaged in Free Enterprise . . . for their own political gain with the Negro bloc vote.

This country became great only because of the Free Enterprise system and we say that it is now long past due for men of courage to listen to the words of Governor Ross Barnett of Mississippi, and we quote:

"If we had half the courage of our forefathers we'd lick this thing."

Now the type that Meredith of Ole Miss calls members of his own race — the burrheads — are blocking traffic in Atlanta, standing in front of cars as they try to progress in traffic, and this is the sort of thing encouraged by the National Administration and by the Chief of the Atlanta Police Department, good old Herbert Jenkins, the lay preacher. The hypocrite! And as for the Mayor, just call him Ivan the Terrible.

Ivan the Terrible II told the Commerce Committee in effect — "You hold a gun at my head and I'll have to do what you say."

Great day in the morning!

Sir:

The enclosed factual information ought to shed some light upon the issues of to-day. Please read very carefully before you decide to follow the false prophets.

The same elements who misused the peasants in destroying the mighty Russian empire are using the Negro to destroy America, so they can rule the ONE World as masters.

EVERY AMERICAN SHOULD KNOW THAT THE NAACP was financed and underwritten from the beginning by the Zionist Rosenwald family and communist Garland Fund.

Zionist Arthur Spingarn is president of NAACP. Zionist Herbert Lehman is Director of NAACP, he has 10 communist - front citations. Zionist Felix Frankfurter was the attorney for NAACP. President Theo. Roosevelt called him comrade of Lenin and Trotsky.

W.E.B. DuBois, founder of NAACP, has 72 communist-front citations.

Other officers of the NAACP who have belonged to communist fronts are:

Dr. Ralph Bunche	12 citations
Channing Tobias	50 citations
Thurgood Marshall	5 citations
Roy Wilkins	8 citations
Max Lerner	43 citations
E. Roosevelt	107 citations
Bishop G.B. Oxnam	36 citations.
There many more...

Unmasking

MARTIN LUTHER KING, JR.

the

Deceiver

BY DR. BILLY JAMES HARGIS
A CHRISTIAN CRUSADE PUBLICATION

"Elizabeth Dilling reported in her book, 'The Red Network,' that, during the seven years from 1923 to 1930, the NAACP received some \$43,000 from the radical Garland Fund among whose directors were Communists William Z. Foster and Elizabeth Gurley Flynn. She also disclosed that the official report of the Fourth National Convention of the Communist Party of the United States held in 1925 stated that 'the Party had penetrated the NAACP.'"

In 1958, J. B. Matthews, an expert on Communist infiltration, wrote:

"Listed on the current letterheads of the NAACP are the names of 236 different national officers. One hundred forty-five (or more than 61 per cent) of these individuals have been involved, in one way or another, with Communist enterprises, for a grand total of 2,200 affiliations of public record."

KING AIDS COMMUNIST PARTY OBJECTIVES

The Communist Party has often and in numerous places outlined its objectives for the Negro in America. In 1928, the Party published a pamphlet written by John Pepper, the representative of the Communist Party in the United States, in which he said: "The Communists must participate in all national liberation movements of the Negroes which have a real mass character."

Negro Communist leader Benjamin Davis published his pamphlet entitled "The Path of Negro Liberation," in which he wrote:

"Consequently the Negro people are moving in the direction of some form of statehood in the Black Belt. This would mean an adjustment or rectification of the lines demarking 12 states through which runs the Black Belt area where Negro people are in a majority."

The remarkable way in which Martin Luther King has fitted into these goals of the Communist Party is attested to on the pages of the official Party organ, *The Worker*. The October 30, 1960 edition left no question as to the importance which the Communists recognize in the person of Rev. King toward achieving their Communist goals. After Rev. King was jailed in Atlanta following three days of mass sit-ins and picketing by hundreds of students of the Atlanta University Center, in an appeal usually reserved for top Party functionaries, the *Worker* told its Communist subscribers:

"The outrageous sentencing of Rev. Martin Luther King, Jr., requires the protest of all decent Americans.

"Demand Dr. King's immediate release. Demand

that the persecution of the sit-inners be halted. Demand that the federal government protect those who exercise their Constitutional 'right of the people peaceably to assemble and to petition the Government for a redress of grievances.' (Note that the *Worker* takes no notice of the "civil disobedience" engaged in by the "peaceful" sit-inners. Ed.)

". . . The cause for which Dr. King speaks is the cause, not of the Negro people alone, but of all democratic America.

"Let, then, labor speak out. Let all organizations of the people speak out. Let all right-minded Americans speak out.

"Wire or phone to President Eisenhower and to both presidential candidates, Richard Nixon and John Kennedy. Let your Representatives and Senators hear from you.

"Let every candidate — for every post from state legislator to president — back up his avowed allegiance to civil rights by acting now. If he won't act now, what can you expect after election?"

TOP COMMUNISTS SPEAK FOR KING

So ingrained into the workings of the Communist Party are the policies and actions of Rev. King that his incarceration evoked protests from the top Communist command in the U.S. The same issue of the *Worker* said:

"Gus Hall, general secretary, and Benjamin Davis, national secretary of the Communist Party, on Monday protested the arrest of the Rev. Dr. Martin Luther King, in wires to President Eisenhower, vice-president Richard Nixon and Sen. John Kennedy, and demanded the Rev. King's release."

Rocketed to national prominence through the distorted and one-sided coverage given his infamous and illegal activities by the left-wing press and *Life*, *Time*, and *Look* magazines, Martin Luther King now has the official ear of Washington on behalf of his crusade. The February 5, 1961 issue of the Communist *Worker* quoted King as saying, "The Justice Department 'has vast potential' to open up 'hitherto untried avenues in the desegregation struggle.' The power inherent in executive orders has never been exploited."

KING PULLS WASHINGTON STRINGS

As is the case with most Communist directives these days, the step from announcement to fulfillment is a short one. The *Newsweek* magazine, May 1, 1961 reported:

“Full protection for any Negro trying to register for voting. That’s what Attorney General Robert Kennedy promised the Rev. Martin King at a private meeting in Washington last week. The Negro leader is about to launch a new campaign throughout the South to add 250,000 Negro voters to the rolls.”

The WEEKLY CRUSADER is at a loss to understand why the Attorney General, who was active in the McCarthy hearings into Communist and un-American activities, *is now making promises to Communist collaborators as an official of the U.S. government.*

FULL SCALE INVESTIGATION CALLED FOR

Martin Luther King’s open, deceitful influence over so much of our population is a national disgrace. The WEEKLY CRUSADER calls for an all out investigation into the activities of this co-operator with known Communists. Concerned Americans would like the answers to the following pertinent questions:

1. Is Martin Luther King interested in the Negro for the Negro’s sake or for the furtherance of Communist objectives in our country?

2. Where does Martin Luther King derive the income for his multitudinous activities? What large interests are paying his way?

3. What are the REAL reasons for his objections to the House Committee on Un-American Activities? Could it be that he fears exposure of his true motives from this investigating committee?

4. Why does this man, who has selected known Communists as his closest associates and advisers, have access to the top offices of our government and personal audiences with our policy making leaders?

It is time Martin Luther King was unmasked before the American public. Only a full-scale investigation will serve the best interests of both the Negroes and whites of our nation.

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES. THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT. FEW WERE EVER ELECTED.

1. The information printed here is not available from any of the regular channels of information which are controlled by our enemy.

2. Read carefully and judge for yourself about what is wrong with America.

3. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

4. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

5. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egotism of the

might lose advertising.

15. The International Jewish Council met at Basle, Switzerland, in 1879 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

16. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

17. The Russian Revolution was financed by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul War-

deliberate act) in 1921 and 1929, they brought on the depressions. (The Jewish plan—see the Protocols).

Protocol XX, 20. "Economic crises have been produced by us for the goyim (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "The Federal Reserve Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity), 1921 and 1929 were caused in the same way, and the details are similarly documented.

22. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there

Lithuania have been digested by the Communist Jews) — with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and mink coats while the Gentile population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish brother-in-law of STALIN was the "FELIX FRANKFURTER" of the Soviet Union.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

28. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EIN-

But it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to unscramble the Red network she set up if America does not pass out before.

35. She was backed by BERNARD BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

36. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the United States, where he acted as the world's leading atomic energy spy. EINSTEIN was a strong supporter of traitors JULIUS and ETHEL ROSENBERG. EINSTEIN in a letter to Jew WILLIAM FRAUENGLASS, New York teacher, ad-

importance of their positions and thinking they are the all-wise mentors of the nation passing on its vital questions, whereas they are guilty of the grossest hypocrisy of all times in evading the one and all important issue which is the foundation of all other questions. They are presiding over the dissolution of the white race.

burg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czars were carried out by Jews.

18. BERNARD BARUCH gave \$50,000 to WOODROW WILSON'S campaign,

would have been no war as neither side could afford war. But the Jews wanted war in order to have Gentile destroy Gentile, and to bring on world chaos and to seize power in the interim due to the emergencies created.

23. WILSON put the U. S. into the war to bale out the Jewish banking interests

STEIN, and the rest of their Jewish conspirators.

29. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the U. S. The crisis is their own making, brought about by them in order to put us in a military straitjacket to them.

vised all witnesses to refuse to answer questions before Congressional committees.

37. Jewish international banker forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish international bankers, promoting Communism in accordance with the Jewish plan to

6. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

7. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

8. Communism was set up by Jews in 1917.

9. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

10. The Jews consider this their destiny as "the chosen people".

backed by WARBURG of Kuhn Loeb & Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913"—which he did—which placed the banking reserves of the United States under the control of the Jewish international bankers. ROTHSCHILD, KUHN, LOEB, and LEHMAN, etc.

19. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

20. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold to the Federal Reserve Banks, financed by deposits of

Jews in complete charge of the United States — BERNARD BARUCH as head of War Industries Board, PAUL WARBURG as head of banking interests, and EUGENE MEYER who now owns the leftist paper "Washington Post" and also controls Allied Chemical and Dye, head of the Liberty Loan drive. BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

24. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has foistered on America in their plot.

30. Why did Truman in 1945, in appointing a five-man civilian board Atomic Energy Commission, appoint four Jews as members? Chairman DAVID LILIENTHAL, then shown to be a member of two Communist-fronts, yet backed by BARUCH for the position. Other Jew members, W. W. WAYMACK, R. F. BACHER, and LEWIS L. STRAUSS.

31. Why does Eisenhower now appoint LEWIS L. STRAUSS, Jewish Kuhn Loeb banker, as chairman of the U. S. Atomic Energy Commission?

32. Why did Eisenhower appoint Jewish Austrian-born Prof. ARTHUR F. BURNS his Economic Adviser? (The Protocols say the Jews must occupy the positions of economic advisers).

33. Why did Eisenhower appoint Jewess FREDA B. HENNOCK Federal Communications Commissioner, and Jew SAMUEL

control the world as outlined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supply of money, they can buy anything. Protocol III., 11. "With the aid of gold — which is all in our hands — we shall create universal economic crises which will bring industry to a standstill."

Protocol IV., 4. "To give the Gentiles no time to think, their minds must be diverted — thus all nations take no note of their common foe."

11. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

12. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

13. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

14. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They

commercial banks throughout the country —YOUR MONEY. The U. S. government pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 14½ million dollars a day. Today, 1954, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

21. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a

BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time Magazine, Jan. 2, 1939.)

25. World War II was forced on Germany by the Jewish International bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

26. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

27. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries — Poland, Hungary, Czechoslovakia, Roumania, China (Estonia, Latvia and

B. GRONER her assistant? The Protocols say they must control all communications.

34. ANNA M. ROSENBERG, who attended Communist front meetings according to sworn testimony by RALPH DE SOLA, hired 10,000 people for the Manhattan (Atomic Energy) project, (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me.

One hundred and sixty million American Gentiles ruled by 11 million Jews. A nation within a nation. And in the world, billions of Gentiles are ruled by 16 million world Jews.

39. DAVID SENTER, political writer for the Hearst papers, on July 6, 1953, states that the man behind the guns in the EISENHOWER administration is SIDNEY JAMES WEINBERG, Wall Street investment banker of GOLDMAN, SACHS and COMPANY. It is clear that the EISENHOWER CABINET was hand-picked by WEINBERG'S man, General LUCIUS CLAY, whom WEINBERG made Chairman of Continental Can. Jews WEINBERG and BARUCH rule EISENHOWER, that is definite.

40 While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years (See Other Side)

ago. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers.

41. Only the form of a Republic is maintained, deceiving the people into believing they have a Republic. They have same on local level only, not on a national level.

42. The Executive is all powerful. Congress is powerless. By patronage and by strategy the Executive gets his way. He can buy legislation. Congressmen admit they have no check on the astronomical budget figures they vote for, and once voted, the Executive can spend it at will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

43. The invisible Jewish government has been in control of the U.S. since F. D. R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Roumania.

44. The land in Israel is owned by the

taken to Russia to be tried, without protection of the U.S. Courts and U.S. Constitution, and trial by jury. It makes it a crime to say anything reflecting upon any race, or group, and this law the Jews want so they can proceed unhampered in their plot, and it will be criminal to accuse them.

(j) Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 8 year periods and with the military whiphand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(k) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHISON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

we were not allowed to win the war.

Protocol 11.1 says "It is indispensable for our purpose that wars, so far as possible, should not result in territorial gains; war will thus be brought to the economic ground...."

Our international rights will then wipe out national rights, in the proper sense of right, and will rule the nations precisely as the civil law of States rules the relations of their subjects among themselves."

54. EISENHOWER advocated the LEHMAN inspired legislation to admit 214,000 additional immigrants (mostly Jews, you will see) to replace the Gentile Americans destroyed in the Korean war. Eighteen gullible Republican Senators sponsored this legislation which they would have voted against the previous year had TRUMAN introduced it, but now they consider they have a "Republican" President. Since the end of World War 11, ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands supine-

(f) He refused to win the Korean war.

(g) He gave the Communists everything they asked in the truce negotiations, including giving up the strategic island of Cho and two others.

(h) He is against tax reduction, although he had promised it.

(i) He has refused to clean out the Reds in government positions.

(j) He is against McCARTHY and never talks against the enemy from without. (In line with the Protocols wherein they say they will divert the attention of the people while they do their work of the plot.) "To give the Gentiles no time to think, their minds must be diverted... thus all nations will take no note of their common foe-4."

(k) He is for the United Nations [which is to be the Jewish World Government].

(l) He appointed the pro-communist Harvard President CONANT as High Commissioner of Germany.

(m) He appointed the BARUCH-WEINBERG chosen BOHLEN as Ambassador to Russia, he

will be shot! This is your last chance. When the Jews pull the dictatorship, they will shoot you or put you in concentration camps. You have presided at the passing of the United States and the passing of the white race. You let it happen. Now get together in one mighty effort to stop it. This is reality. You have only one chance left and that is to arrange a simultaneous outcry by a group of your fellow members of Congress to indict this conspiracy by the size of which the Capone gang and the Mafia are infants. The Jewish Anti-Defamation League, IT'S B'NAI B'RITH, the American Jewish Congress, are subversive conspiracies carrying out the Jew plan. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate—none disavow it. They have been taught it for hundreds of years. The Protocols of Zion are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted this in his Convention Speech in 1784, and you have carried it out and brought it to the point at which the trap is about to snap. Get together at once and undo it or be prepared to take the consequences

PALESTINE POTASH CORP. and the PALESTINE ECONOMIC CORP. represented in the United States by the National Jewish Fund. Arabs had occupied part of this land for 1,300 years and part 1,700 years. The Jews came in from other parts of the world and murdered the Arabs and pushed nearly a million into the desert where 850,000 still exist.

45. WINSTON CHURCHILL sent his war time messages to ROOSEVELT through BERNARD BARUCH who had his apartment in the Waldorf-Astoria in New York.

46. ANTHONY EDEN recuperated from an illness at the Rhode Island home of the daughter of Jew, OTTO KAHN, one of those who financed the Russian revolution. Mrs. OTTO KAHN was feted by Bolshevik Russia like an empress.

47. THE JEW PLAN

(a) To cause wars to consume the American Gentile manpower which should be the seed of this nation.

(b) To replace the consumed American Gen-

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees and for which he has made public speeches in advocating that the President be given complete authority to mobilize everyone from 17 to 70, in event of attack or threat of attack by Russia, a threat he and his gang will bring about at the desired time, because they control the government of the Soviet Union, as well as of England, France, Israel, and the United States.

THE PASSING OF THE WHITE RACE

48. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then, the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world.

This plot could not go on if the newspapers

ly by while all this goes on as though it were a little child and not supposed to know.

55. HENRY MORGANTHAU JR., Secretary of the Treasury, with HARRY DEXTER WHITE, Under Secretary and Communist (who committed suicide when exposed) and HAROLD GLASSER — all Jews in charge of our Treasury — gave to the Communists money plates complete with three plane-loads of secret ink and four plane-loads of secret paper for printing our money in East Germany to pay two years salary to Communist soldiers. Jewish refugees brought millions of this money to the U.S. to set up in business.

56. More Koreans are to come in the future to consume more American manpower which should be the seed of this nation. We now have our men scattered in 63 countries, according to U.S. News and World Report Dec. 25, 1953.

57. More letting down of the Immigration Laws is to come, to let in more Jews to take the place of the consumed American Gentiles.

58. When the United States is worn down

being a ROOSEVELT-TRUMAN favorite interpreter and advisor, who still contends the Yalta and Teheran decisions were right.

(n) He appointed the ROOSEVELT-TRUMAN favorite General WALTER BEDELL SMITH as Undersecretary of State, who is one of the five men who knew the Japs were on their way to attack us at Pearl Harbor and did not alert our forces there.

(o) He sponsored the legislation to admit 214,000 additional aliens in the next three years and secured its passage.

(p) He is against the WALTER-McCARRAN Immigration Law.

(q) He is for raising the debt limit of the United States.

(r) He is for keeping up the foreign spending to finance socialistic governments in other countries while tearing down the United States.

(s) He is against bookburning but wants U.S. citizens taxed to supply Red slanted books to foreign libraries.

(t) He is for Universal Military Training, and

and you and your posterity, will be wiped out or go into slavery forever. There is no time to delay.

In case you think we are prejudiced, history for more than 1,000 years indicates that where ever these people have settled, it was necessary to evict them eventually—Babylon, Spain, France, England, and as recent as 1939, Germany. And it will happen in America.

What You Can Do

TO U.S. SENATORS and CONGRESSMEN

1. Organize into a group willing to save America by simultaneous action.
2. Outlaw Communism.
3. Make treason during peace time a crime punishable by death.

(c) To consume the money of the American Gentile population by the direct and indirect taxes necessary to pay the interest to the Jewish international bankers on the national debt and to pay national budgets brought about by the cost of the wars and the preparation for wars.

(d) To enforce non-segregation in order that intermarriage of white and colored races (which always results in colored offspring) will be brought about and thus cause the passing of the white race, which race the Jews consider their only obstacle to the fulfillment of their protocols plot, as they feel their superior intelligence (as they call it) will enable them to easily rule over a world of colored races.

(e) To set aside our Constitution by means of

of the country would inform the people. Papers daily speak of the world crisis yet not one of the regular commercial dailies has the guts to come out with the truth of the Jew plot. They would lose some Jewish advertising dollars... so better to have wars and the dissolution of the United States and the passing of the white race than to lose those precious Jewish advertising dollars. The newspapers need to also arrange a simultaneous exposure of the plot.

49. Jews brought on World War 11 and its aftermath, had us fight it in order to remove the two barriers, Germany and Japan from Russian expansion in order to make the present World crisis.

50. The Jews caused the stooge TRUMAN-ACHESON gang to build up Russia to present a threat to the United States which they could then use to put the United States in a military

enough and the Russian H-bomb stockpile is built up enough so that Russia can win then the Jews will bring about World War 111 to exhaust the white race so that the remnants left will submit to world government in desperation, which will be a "Jewish World Government".

59. They state they will then forbid the intermarriage of whites with whites. Whites will be allowed only to marry colored peoples in order to dissolve the white race.

60. After they get the United Nations "Human Rights Covenant" passed, which gives all member governments the right to impose martial law if they consider themselves threatened, they will have their Russian friends perpetrate an event which they will call a national threat, enabling the government to put the United States under martial law, and then you will actually have in

treaty law with the United Nations and then set up World Government to the United Nations which will be a Jewish world government.

(f) In any world government we will have 7 per cent of the vote, being 7 per cent of the world's population. They will outvote us and will ship millions of black and yellow people into the United States and with non-segregation laws, the white race will melt away, which is the Jew plan.

(g) Fair Employment Practices Commission, FEPC, the Genocide treaty, the Human Rights Covenant, and Universal Military Training are all Jewish Communist measures pushed by the Jewish controlled United Nations.

(h) F.E.P.C. is to force employers to hire Communists and colored people with no freedom of choice, in order to break down white control of industry, and also to bring about intermarriage of whites and colored by non-segregation in industry, to further the wiping out of the white race.

(i) The Genocide treaty could force you to be

dictatorship strait-jacket, which is fast on the way.

51. The Jews caused F.D. ROOSEVELT to give Manchuria and Poland to the Communists and to divide Germany . . . see the results. FRANKFURTER, directing the State Department, gave China to the Communists and sent General MARSHALL, their stooge, to spend 13 months breaking down enemies of Communism in China.

52. They caused the Korean war to follow by having the U.S. refuse to arm the South Koreans, although knowing Russia armed the North Koreans to the teeth, and by withdrawing our troops and announcing we would not defend Korea. Colonel ALFRED G. KATZIN was U.N. representative to Korea, now in charge of all U.N. personnel. Why worry about military secrets when Jews are in such key positions?

53. This caused the invasion they desired, then they threw our troops in there without consent of Congress, in violation of Public Law No. 264, but caused adoption of the policy whereby

being the Jewish dictatorship which is now already in the seat of power but has not yet pulled the strings.

61. EISENHOWER is completely subservient to the Jewish Plotters and is carrying forward their Protocols Plot steadily. That is why:

(a) He wants the United Nations to be able to set aside our Constitution, which will bring the destruction of America, and the setting up of Jewish World Government under the United Nations.

(b) He proposed and secured passage of treaties making our soldier boys subject to foreign courts. Surely he cares naught about protecting our American boys.

Decaturite Claims Rape And Beating

A 49-year-old Decatur woman was forced into an automobile with three young Negroes who attacked her and raped her late Friday night, police said.

The white woman told police she was walking near a motel on Carnegie Way when the men drove up, pointed a pistol and told her to get in the car or they would "blow her head off."

She told police the trio "slapped her around" then drove to the area of Techwood Drive and Baker, Harris, and Williams streets where they dragged her from the car, tore her clothes off, and raped her.

THE WOMAN, whom officers said they found in a "hysterical condition," told police also that the men beat her again after they had raped her.

They told her, "You can't say a Negro hadn't had something to do with you," police quoted the woman.

She was taken to Grady Hospital for treatment and later dismissed, police also said.

The assailants were all said to be between 20 and 25 years of age and between 5 feet, 7 inches tall and 6 feet tall, police said.

Myth of Equality

New Orleans.

Editor, The Times-Picayune:

A most misinterpreted phrase is that "all men are created equal." "Equality" pertains only to the soul and "equality" under the law.

But "equality" never has—nor ever shall—pertain to physical, mental or moral capabilities.

The mere fact that no two sets of fingerprints are the same makes men different. Similar twins—from the same cell — are not equal. One will outlive the other; one may become a saint, the other a murderer. Every athletic contest disproves physical equality; every spelling bee or

Barnard Is Disappointed

How about it! That is the reaction of all good Americans

By Integration Response

Public Accommodations Questionnaires Checked

Mayor James L. Barnard expressed disappointment yesterday in the number of replies received to the City Council's call for desegregation of public accommodations.

"It was a little less than I expected. I had hoped more firms would let us know how they stand," Barnard said.

However, the mayor said he doesn't feel the lack of response is so much an unwillingness to integrate as it is an aversion to filling out a questionnaire.

"A lot of people don't like to be bothered with surveys and blank forms," the mayor said. "I know I don't."

Replies Tabulated

Barnard's comments yesterday followed a tabulation Thursday night of replies to a request for desegregation mailed late last week and early this week.

The request was mailed to establishments offering "public accommodations, particularly restaurants, hotels, motels, theaters and bowling alleys, some of which have already integrated.

The request followed a meeting last week between the City Council and a committee of Negro leaders. The Negroes were particularly interested in obtaining a list of places that would offer services to them so that they would not be embarrassed by being refused service.

The request for desegregation asked for returns only from persons who would comply with the request and not from those who would not.

Three Against

Returns tabulated Thursday included 12 from restaurants, including one which said it would not desegregate, and 16 from hotels and motels, two of which were against it.

However, Barnard said the significant figure is not that 11 restaurant owners said they would open their facilities and only one said no, but the large number who did not reply.

Requests were mailed to 175 restaurants and 117 hotels and motels.

A strict interpretation of the questionnaire could mean most of those not replying are against integration but the mayor doesn't think this is so.

Already In

Even though it had been less than a week when returns were tabulated, Barnard said the bulk of the replies the city is going to receive is already in.

When the council met with the Negro committee an agreement was made to meet again in two weeks (next week) to review the results.

In the absence of more conclusive returns, which are not expected, Barnard indicated the council will have to take another approach, probably by meeting with owners of the motels, hotels and restaurants.

Mayor of Atlanta
Atlanta
Ga.

Dear Mr. Mayor:

I see where you went before a committee on Civil Rights in behalf of the whole package, lock, stock and barrel.

Are you going to hire a little colored girl for your secretary? Are you going to staff all city offices with colored people, those who qualify? If the law will say we must hire qualified negroes & maybe even those who aren't qualified. But apply, what are the white people going to do!! There will be lots & lots of negroes all over this country who will run for the jobs and the white man will be relegated to the position of a colored man but no law to protect him. Business people can't hire everybody!!

This country was built up by the sweat & toil of white people. Now just what did the negroes contribute in these 100 yrs? I'll tell you what. Outside of a lot of crime & rape, they contributed nothing

nothing, absolutely nothing. Now the white man has to turn everything over to the black man!!

Aren't you looking at this whole situation in reverse? Well, you certainly are & if the people of Atlanta had any common sense about them, they certainly would vote you out of office at the next election. I know I would if I lived in Atlanta.

Thank Heavens, our Senator & our Governor are going to vote against the whole list of civil rights because they have enough sense to realize they, the civil rights, are a menace to this land & most unconstitutional both to the white man & the black man!!

If you would take a poll in every city, town, village & hamlet, the response would be as per the attached newspaper article. There was a mighty poor showing for desegregation. How about that? Don't we have any rights at all? I think everybody has gone out of his mind!!

The black man has nothing to lose but everything to gain. The white man has everything to lose & nothing to gain. What's this crazy, stupid, lawlessness all about?

Also read about the fact that you have never seen in an integrated restaurant & I believe you never will be. ~~have~~ ~~know~~

'Sanders, Not Allen, Speaks for the South'

The Editors: Mayor Allen's assertion that "Congress can't expect local governments to handle as difficult a problem as this (integration) . . . with no help, no definitions, no support" seems to me to be contrary to the opinion of the responsible leadership of the South, who want to preserve our basic freedoms and for the federal government to stay out of local and state affairs.

With more "responsible" leaders being elected all the time, there will be no need for such legislation, and indeed it can only hamper the reaching of "logical agreements" on the local level, where all such problems should and must be solved to have lasting and progressive effects.

It seems to me that Gov. Sanders' progress and handling of his state is exactly the leadership endorsed by Sen. Goldwater in order that the country may get away from federal control and dependence on federal financing. It's a shame that they are on different political teams.

'Allen's Views Were Not City's'

Oh Negro!

The Editors: Atlanta has given more rights and privileges to the colored race than any other city in the South, which is as it should be. However, this does not seem to appease the colored leadership. They demand more and more rights and there seems to be no end to what they want.

In all fairness to Mayor Allen, and he is entitled to his views, I think business, which pays the lion's share of local taxes, should have a voice in whom it may serve. It looks as if the mayor went out of his way to muddy the waters. I have a new and profound respect for our governor after his visit to Washington.

Atlanta will go forward no doubt for many years to come, but Mayor Allen should state

that the views he expressed were his own and not necessarily those of his employers, the taxpayers.

Allen's trick

The Editors: I, an Atlantan, am ashamed to claim Ivan Allen as the representative of my city and community. Integration Just for Poor, Georgian Says

By MARGARET SHANNON

Atlanta Journal Religious News Editor
WASHINGTON, July 27 — A Georgia segregationist lawyer has told a Senate committee that advocates of desegregation don't practice what they preach.

Carter Pittman of Dalton, former president of the Georgia States Rights Council, testified before the Commerce Committee Friday in opposition to the Kennedy administration proposal to ban racial discrimination in privately owned public accommodations.

"Wealth and political power are great insulators," he said. Integration in daily life "is only for the poor."

MR. PITTMAN said that exempting private clubs from the bill is "a carefully devised rat-hole for those who spend their time preaching integration for the poor whites while philosophizing about it over cocktails within the segregated shelters of exempt clubs."

He said he doubted that any person who helped to draft the bill or who is sponsoring it lives in a 10 per cent integrated neighborhood or sends his children to a school with as much as 10 per cent Negro enrollment.

"THOSE FEDERAL JUDGES who act the part of ill-tempered martinets in racial matters do not send their children or their grandchildren to integrated schools," he said.

He made the same charge against "mayors who lead the rabbles in marches down our city streets."

He named no names of judges or mayors.

Response to Needs

By **PIERCE HARRIS**

IT HAPPENED so many years ago that the whole countryside is changed and conditions are entirely different, but I think the principle is the same. Principles have no dateline. Like it says in the Book, they are the same yesterday, today and forever.

He was a country doctor and I was a country preacher. We became fast friends, though he was a good many years older than I. Then one day he said, "Preacher, I'm going to retire."

It hit me like a hammer in the head. "Retire!" I said. "Why, and what will all these people do without you to doctor them?"

He smiled. "I'm tired of travelling these muddy mountain roads at all hours of the day and night. I'm going to settle down to looking after my farm, my cattle, and my investments." It still hit me—hard!

ONE DOCTOR

There were several other preachers in the county, but only one other doctor. It was

Thoughts to good & lovely things. Think in these things?

going to be hard to get another doctor to come there and take his place. This was a long time ago. The shadow of the great depression was already dark across the mountains and money was scarce.

"You can't!" I said, as serious as a young inexperienced preacher can say it, "You can't! Think of all the people who will die but who might live if you keep on doctoring them." And that led him off into a long rambling dissertation about how he had done his duty by them, and how he was now entitled to his days of relaxation and rest. It didn't impress me.

"These people are the ones who made you rich," I said, though rich was probably an extravagance, because he was only worth about three hundred thousand dollars, or in that neighborhood, but like I say, that's a real nice neighborhood.

So he retired. He looked after his farm, his cattle and his investments, until there came a day . . . or a night, rather—cold, rainy winter night.

We had already gone to bed; then the phone rang. It was a friend way back up in the valley. He was much excited. "Could you get 'Doc' to come up here?" he asked, and his voice trembled like a leaf in the wind. "Mamie is going to have her baby tonight and we've just got to have help."

This was years before it was thought necessary to have a baby in a hospital.

It got me excited too. I called Doc and he had already gone to bed, too, and wasn't any too happy being called at that hour.

NOT MADE

"If you don't go," I said, "I'm going to announce from every pulpit on my circuit that you've let a woman suffer—and maybe die—when you could have relieved her suffering, delivered her baby, and maybe saved her life." I wasn't mad, but I was as close to it as a preacher ought to come.

Reluctantly, he got out of bed and went. Benevolent black-mail, you'd say.

Just a few years ago, he died, full of honors, and beloved by all the people who called him Doc to the end of his days, and called him when he was needed.

His farm never suffered. His cattle took blue ribbons at shows all over the South, but his greatest happiness was in going back where he was needed.

"You shook me up," he used to say, "but you also saved me from a life of selfishness in which I could have never been really happy."

Now, let me ask you: Does a man, doctor, or what-have-you, have the right to retire when he is needed to help relieve the sufferings and sins of a sorrowful and shaken world? I doubt it.

Deep down in us all is the desire to know that we are still needed, and when we respond to that need, it may cost us money or time we want as our own, but it is finally the ultimate happiness.

By **ERNEST ROGERS**

A YEAR AGO Saturday was the saddest day of my life. It was at 7:05 the morning of July 27, 1962 that the Good Doctor died in the Emory University Hospital after fighting a losing battle for almost a year against the relentless attrition of age. Had he lived one more week he would have been 87 years old.

For the two-and-a-half months he was in the hospital it was apparent that it was only a matter of time—and not much, at that—before the end would come. It seemed to me that on no one day could it be said that he was in better condition than he had been the day before.

I am convinced that he knew he was living out his last days yet the subject was never mentioned between us. Before entering the hospital he had put his affairs in order but without expressing any doubt that he would be restored to useful good health. The matter of death was never discussed.

The night before he died I left the hospital with a heavy heart. The physicians who had exerted every skill at their command to fight off the inevitable had told me the end was not far away. I, too, had a premonition that the sands were running out.

So, after returning home, I wrote his obituary and marked it "Hold For Release." I planned to give it to Harold Davis, The Journal's city editor, to be placed in his files for use when needed. At the time I didn't realize it would be needed the next day.

A year has passed since the Good Doctor died. Time has worn away the keen edge of grief. But no day has passed since his death that he hasn't been in my thoughts. At odd moments I recall amusing things he had said or done; bits of his personal philosophy of living that had been etched in my memory; words of counsel that had guided me through the treacherous shoals of indecision and disorganization.

VERY NEAR

There are times when I feel his presence very near. This is especially true on Sundays when I am almost convinced that he is sitting in his accustomed place in the sanctuary of the First Methodist Church where he rendered his last service as a minister of the gospel as Dr. Pierce Harris' associate. There are nights when I am watching television that the feeling comes over me that he is sitting in his rocking chair in our den and commenting about this and that.

This feeling of nearness was especially strong a few nights ago

when I attended the annual picnic of the Hemphill Bible Class which he taught for many years and which meant so much to him. Several others told me they had similar feelings. (As a tribute to the memory of the Good Doctor the members of the Hemphill Class are contributing the altar flowers for the services at the First Methodist Church next Sunday.)

My recollections of the Good Doctor are happy ones. He was one who let the sunshine of life disperse the shadows and had the happy faculty of transmitting this attitude to others. He was a man

PERCENTAGE SAM SAYS:

"The art of staying happily married is not nearly as tough as the art of staying unhappily married."

of good humor as well as one of good will. He had a religious faith so strong that it overcame such doubts and indecisions as sometimes overcome other men. He never, as the saying goes, set the world on fire but he started a few blazes here and there.

I have taken the liberty of writing this very personal column on the anniversary of the Good Doctor's death because I feel there are many others who may read it who also have lost loved ones within the last year and share similar feelings about them.

Also, to those who may be puzzled by the term "the Good Doctor" I would like to explain that he was my father—Dr. Wallace Rogers—a Methodist minister who served his God, his denomination and his fellow man with consecration and dedication throughout his long life.

Need Accommodations Law To Hold Gains, Mayor Says

As perceptive men of wide experience I feel confident that you will agree with me that this is as serious a basic problem in the North, East and West as it is in the South. It must be defined as an all-American problem, which requires an all-American solution based on local thought, local action and local cooperation. The 500,000 people who live within our city limits consist of 300,000 white citizens and slightly more than 200,000 Negro citizens. That makes the population of Atlanta 60 per cent white, 40 per cent Negro. That 60-40 percentage emphasizes how essential it is for the people of Atlanta, on their local level, to solve the problem of racial discrimination in order to make Atlanta a better place in which to live.

As the mayor of the Southeast's largest city, I can say to you out of first-hand experience and first-hand knowledge that nowhere does the problem of eliminating discrimination between the races strike so closely home as it does to the public official. He is the man who cannot pass the buck.

From this viewpoint, I speak of the problem as having been brought into sharp focus by decisions of the Supreme Court of

(This is a portion of the text of the statement made to the Senate Commerce Committee last Friday by Mayor Ivan Allen Jr. of Atlanta.)

the United States and then generally ignored by the presidents and congresses of the United States. Like a founding baby, this awesome problem has been left on the doorsteps of local governments throughout the nation.

It is true that Atlanta has achieved success in eliminating discrimination in areas where some other cities have failed, but we do not boast of our success. Instead of boasting, we say with the humility of those who believe in reality that we have achieved our measure of success only because we looked facts in the face and accepted the Supreme Court's decisions as inevitable and as the law of our land. Having embraced realism in general, we then set out to solve specific problems by local cooperation between people of good will and good sense representing both races.

Given Rights

Atlanta's steps have been taken in some instances in compliance with court decisions, and in other instances the steps have been voluntary prior to any court action. In each instance the action has resulted in white citizens relinquishing special privileges which they had enjoyed under the practices of racial discrimination. Each action also has resulted in the Negro citizen being given rights which all others previously had enjoyed and which he has been

Mayor Allen

that responsibility of the press (and by this I mean radio and television as well as the written press) is inseparable from freedom of the press.

We are fortunate that we have one of the world famous editorial spokesmen for reason and moderation on one of our white newspapers, along with other editors and many reporters who stress significance rather than sensation in the reporting and interpretation of what happens in our city.

As I see it, our Negro leadership in Atlanta is responsible and constructive. I am sure that our Negro leadership is as desirous of obtaining additional civic and economic and personal rights as is any American citizen. But by constructive I mean to define Atlanta's Negro leadership as being realistic—as recognizing that it is more important to obtain the rights they seek than it is to stir up demonstrations.

So it is to the constructive means by which these rights can be obtained that our Negro leaders constantly address themselves. They are interested in results instead of rhetoric. They reach for lasting goals instead of grabbing for momentary publicity. They are realists, not rabble rousers. Along

Constitution of the United States. Under this Constitution we have always been able to do what is best for all of the people of this country. I beg of you not to let this issue of discrimination drown in legalistic waters. I am firmly convinced that the Supreme Court insists that the same fundamental rights must be held by every American citizen.

Atlanta is a case that proves that the problem of discrimination can be solved to some extent . . . and I use this "some extent" cautiously, . . . as we certainly have not solved all of the problems; but we have met them in a number of areas. This can be done locally, voluntarily, and by private business itself!

On the other hand, there are hundreds of communities and cities, certainly throughout the nation that have not even addressed themselves to the issue. Whereas, others have flagrantly ignored the demand; and today, stand in all defiance to any change.

The Congress of the United States is now confronted with a grave decision. Shall you pass a public accommodation bill that forces this issue? Or, shall you create another round of disputes over segregation by refusing to pass such legislation?

Might Slip

Surely, the Congress realizes that after having failed to take any definite action on this subject in the last ten years, to fail to pass the bill would amount to an endorsement of private business setting up an entirely new status of discrimination throughout the nation. Cities like Atlanta might slip backwards. Hotels and restaurants that have already taken this issue upon themselves and opened their doors might find it convenient to go back to the old status. Failure by Congress to take definite action at this time is by inference an endorsement of the right of private business to practice racial discrimination and, in my opinion, would start the same old round of squabbles and demonstrations that we have had in the past.

Gentlemen, if I had your

Now I would like to submit my personal reasons why I think Atlanta has resolved some of these problems while in other cities, solutions have seemed impossible and strife and conflict have resulted.

As an illustration, I would like to describe a recent visit of an official delegation from a great Eastern city which has a Negro population of over 600,000 consisting of in excess of 20 per cent of its whole population.

The members of this delegation at first simply did not understand and would hardly believe that the business, civic and political interests of Atlanta had intently concerned themselves with the Negro population. I still do not believe that they are convinced that all of our civic bodies backed by the public interest and supported by the city government have daily concerned themselves with an effort to solve our gravest problem—which is relations between our races.

Not Hidden

Gentlemen, Atlanta has not swept this question under the rug at any point. Step by step—sometimes under court order—sometimes voluntarily moving ahead of pressures—sometimes adroitly—and many times clumsily—we have tried to find a solution to each specific problem through an agreement between the affected white ownership and the Negro leadership.

To do this we have not appointed a huge general bi-racial committee which too often merely becomes a burial place for unsolved problems. By contrast, each time a specific problem has come into focus, we have appointed the people involved to work out the solution—theaters, owners to work with the top Negro leaders, or hotel owners to work with the top leadership, certain restaurant owners who of their own volition dealt with the top Negro leadership. By developing the lines of communication and respectability, we have been able to reach amicable solutions.

Atlanta is the world's center of Negro higher education. There are six great Negro universities and colleges located inside our city limits. Because of this, a great number of intelligent, well-educated Negro citizens have chosen to remain in our city. As a result of their education, they have had the ability to develop a prosperous Negro business community.

Then there is another powerful factor working in the behalf of good racial relations in our city. We have news media, both white and Negro, whose leaders strongly believe and put into practice the great truth

tegrity.

I do not believe that any sincere American citizen desires to see the rights of private business restricted by the federal government unless such restriction is absolutely necessary for the welfare of the people of this country.

On the other hand, following the line of thought of the decisions of the federal courts in the past 15 years, I am not convinced that current rulings of the courts would grant to American business the privilege of discrimination by race in the selection of its customers.

What Is Right?

Here again we get into the area of what is right and what is best for the people of this country. If the privilege of selection based on race and color should be granted then would we be giving to business the right to set up a segregated economy? . . . And if so, how fast would this right be utilized by the nation's people? . . . And now soon would we again be going through the old turmoil of riots, strife, demonstrations, boycotts, picketing?

Are we going to say that it is all right for the Negro citizen to go into the bank on Main Street and to deposit his earnings or borrow money, then to go to department stores to buy what he needs, to go to the supermarket to purchase food for his family, and so on along Main Street until he comes to a restaurant or a hotel—in all these other business places he is treated just like any other customer—but when he comes to the restaurant or the hotel, are we going to say that it is right and legal for the operators of these businesses, merely as a matter of convenience, to insist that the Negro's citizenship be changed and that, as a second class citizen, he is to be refused service? I submit that it is not right to allow an American's citizenship to be changed merely as a matter of convenience.

If the Congress should fail to clarify the issues of the present time, then by inference it would be saying that you could begin discrimination under the guise of private business. I do not believe that this is what the Supreme Court has intended with its decisions. I do not believe that this is the intent of Congress or the people of this country.

I am not a lawyer, senators. I am not sure I clearly understand all of the testimony involving various amendments to the Constitution and the commerce clause which has been given to this committee. I have a fundamental respect for the

experience I have had, I would pass a public accommodation bill. Such a bill, however, should provide an opportunity for each local government first to meet this problem and attempt to solve it on a local, voluntary basis, with each business making its own decision. I realize that it is quite easy to ask you to give an opportunity to each businessman in each city to make his decision and accomplish such an objective . . . but it is extremely difficult to legislate such a problem.

What I am trying to say is that the pupil placement plan, which has been widely used in the South, provided a time table approved by the federal courts which helped in getting over the troubled water of elimination of discrimination in public schools. It seems to me that cities working with private business institutions could now move into the same area and that the federal government legislation should be based on the idea that those businesses have a reasonable time to accomplish such an act.

Last Resort

I think a public accommodation law now should stand only as the last resort to assure that discrimination is eliminated, but that such a law would grant a reasonable time for cities and businesses to carry out this function before federal intervention.

It might even be necessary that the time factor be made more lenient in favor of smaller cities and communities, for we all know that large metropolitan areas have the capability of adjusting to changes more rapidly than smaller communities.

But the point I want to emphasize again is that now is the time for legislative action. We cannot dodge the issue. We cannot look back over our shoulders or turn the clock back to the 1860s. We must take action now to assure a greater future for our citizens and our country.

A hundred years ago the abolition of slavery won the United States the acclaim of the whole world when it made every American free in theory.

Now the elimination of segregation, which is slavery's stepchild, is a challenge to all of us to make every American free in fact as well as in theory—and again to establish our nation as the true champion of the free world.

Mr. Chairman and members of the committee, I want to thank you for the opportunity of telling you about Atlanta's efforts to provide equality of citizenship to all within its borders.

Dear Mr. Allen, It seems
clear you went to Wash-
ington to gain publicity &
you got it. you seem to
think the majority agree
with your stand, that is
probably because we who don't,
think, what's the use to protest,
you were elected by the
negroes, you have definitely
been the negro mayor. you
have never tried to do any
thing for the whites, except
the Peyton Road incident &
you chickened out of that.
I hope your negroes are
enjoying the swimming pools,
since thousands of white
children have no where to go.
Sincerely - Sarah Hicks

Mayor Ivan Allen, Jr.

Atlanta, Ga.

Dear Mr. Mayor:

We are not impressed with the letters you are getting agreeing with you on your stand on Civil Rights - and your testimony in Washington. We were not surprised at or will we be surprised at anything you do since you were elected by the negroes and you bought them to elect you. Another man was elected by the white people. All of this is facts and many of your friends know all this and will never tell you. You are like many people whose best friends won't tell them what they should know. You are not impressed with anybody but yourself. You belong to the group who does not know that you don't know. There is some hope for a person who knows he doesn't know everything and is willing to listen - but you are not in that class. You can't see your shortcomings. You will never see them - there is no hope for you. There is no hope for the white people in Atlanta for the negroes will continue to elect people like you.

Any City which will have its recreation department employ nice white girls and make them teach negro men to swim is bound to get worse before it gets better. The Recreation Dept. says that if those girls refuse to teach negro men to swim that they will not have a job. These girls need jobs. This must be Russia. Would you want your daughter, daughter in law or grand daughter to be teaching negro men to swim?????? What is going to happen is that Atlanta is going to get worse than Washington in less time than Washington got the way it is. Nine yrs. ago Pres. Eisenhower put out an Executive order that there would be no more segregation in Washington. Look at Washington today. Not safe for a white person to be on the street in the day time much less night. Atlanta will go faster and worse because

of a Mayor like you. The crime here is bad enough now - just give it another year under you and it will not be safe for white women to be on the streets alone here day or night. Negroes have been trying to buy real estate in your immediate neighborhood - they would have bought it if the owner had not taken the property off the market but that won't be for long - because they will send a white person to buy it who will be buying for the negro. Then will you stand up and say take your grief to the ballot box. Wait until some of your family is raped - will you say that the people of your area are unduly alarmed and you will do nothing about it. The tax payer under you has no choice except to accept your directive.

Some ~~ya~~ of your so called best friends don't agree with you.

It will be just too heart breaking when you get a big family of negroes next door or across the street from you. Don't think it can't happen to you. You can't be for other people taking it and not be willing to have it in your section. You are not better than the people in the Payton Rd. area you just have more money and can buy more votes.

Wake up Mr. Allen before it is too late.

I am enclosing some paper
clippings you should read they
will tell you what the people
of Ga think of you and that I
have not words to tell you.
But I will say your appear-
-ance of the Communist led
N.A.A.P.P. is a disgrace to
our state, you were put in
by the negroes, just as old
Hartfield was no wonder his
wife quit him. If you have
a wife she may also quit you
I would if I was she. If I
could not be elected by decent
white people I would not
think I deserve the office
you like, the Pres and Atty
Gen are helping Russia
make a soviet America.
The negro who spoke in
Atlanta Ga recently said
the agitations would continue
until the white people could

pass the acid test of racial inter-
marriage. This has been their
objective and they are just now
revealing it, your appearance
will not bring peace unless
they achieve their goal so far
no Georgians out side of
Atlanta has taken no part in
who will be mayor but it
is our state Capital and
we intend to see that no other
mayor is elected by the
negro block vote some of these
poor negroes do not know that
the Russians are using
them as their first line of
offense to taking over our
country neither do the Komazys
and do they? J. F. K. sneaked off
alone just a few days after
he was sworn in. Neither
he or Bob have kept their
oath to uphold our Constitu-
tion in fact they are trying
to destroy it and you endorse
their dictatorial civil rights
bill what does that make you
