

Allen

THE VICE PRESIDENT
WASHINGTON

April 11, 1969

Dear Mayor Allen:

Enclosed is a copy of the press release announcing the National Summer Youth Sports Program to be administered by the National Collegiate Athletic Association. To assure that the program will be carried out in concert with your city's overall summer youth program, the following procedure has been established.

We have directed the president of each school or his designated representative to contact you. He is to inform you of his institution's summer youth sports program and is to solicit your advice, assistance and recommendations so as to assure the program provides the maximum benefit to your city.

Approval for these programs is contingent upon the preceding; however, due to the time factor, we hope we can receive your report by April 21. Please send a copy of your recommendation to me in care of The President's Council on Physical Fitness and Sports, Department of Health, Education, and Welfare, North Building, Room 4049, 330 Independence Avenue, S.W., Washington, D.C., 20201. Should you have none to make, please also inform me to that effect. I assure you that your comments will be accorded careful consideration by my office.

Sincerely,

Spencer F. Agnew

Honorable Ivan Allen, Jr.
Mayor of Atlanta
Atlanta, Georgia
