Mr. J. J. Little, Clerk
City of Atlanta
City Hall
Atlanta, Georgia 30303

Dear Jim:

On February 20, 1967 the Board of Aldermen adopted and the Mayor approved the following: "A resolution authorizing the City to include an acknowledgement on the plaque thanking Mr. Jack Adair for his donation in building a fountain at Piedmont and Harris Triangle."

The City is very grateful for this act on the part of Mr. Adair and I would particularly appreciate it if you would see fit to prepare for him a copy of the resolution with the official seal of the City suitable for framing.

Thanking you for your continued assistance, I am

Cordially,

Jack C. Delius
General Manager of
Parks and Recreation
