Mayor Ivan Allen, Jr.
City Hall
Atlanta, Ga.

Your Honor the Mayor:

I consider your remarks concerning the election of Lester Maddox highly insulting and to use your own remarks, "irresponsible".

I have as much education, just as higher morals, and as an American Indian, I consider just as high a background as you have.

I voted for Lester Maddox and if you were anything at heart but a dictator you would be content for people to vote as they please.

Sincerely yours,
L.C. Stuart
