

THIS SIDE OF CARD IS FOR ADDRESS

Mayor Allen
City Hall
Atlanta,
Ga.

Dear Mr. Allen, It seems
clear you went to Wash-
ington to gain publicity &
you got it. you seem to
think the majority agree
with your stand, that is
probably because we who don't,
think, what's the use to protest,
you were elected by the
negroes, you have definitely
been the negro mayor. you
have never tried to do any
thing for the whites, except
the Peyton Road incident &
you chickened out of that.
I hope your negroes are
enjoying the swimming pools,
since thousands of white
children have no where to go.
Sincerely - Sarah Hicks
